

“
**Your
Voice,
Heard**”

Student Reps are the link between you and the University on all things related to your programme. They listen to your thoughts and ideas about your programme, feed this back to the School, and are key to driving positive change.

To find out more or how to become a Rep for your programme visit the **Student Reps Website** or email **StudentReps@manchester.ac.uk**

For information about Rep activity within the School of Environment, Education and Development, you can email **studentsupport-seed@manchester.ac.uk**
