

## Timetable (Welcome Week)

September 2023

*A warm welcome to the Department of Geography at The University of Manchester to all our Masters students! Welcome Week is an important starting point to the new academic year and there are several meetings organised for the various Masters programmes. Whether you are new to the University Manchester or one of our alumni, these meetings will provide you with vital key information to ensure a smooth start to Semester 1. I am looking forward to meeting you all. Wishing you all the best of luck with your studies in 2023-2024.*
