SIX WAYS TO WELLBEING
SELF-GUIDED WALK

Wherever you are in the world, take yourself on a walk or trip in your local area and use our Six Ways to Wellbeing checklist to engage with your surroundings and give your wellbeing a well-deserved boost.

**connect**
- Text a friend
- Phone a family member
- Meet someone for a socially distanced walk

**give**
- Give thanks to someone
- Move out the way for someone walking by
- Buy a takeaway coffee to support a small business

**take notice**
- Take a different route
- Turn of your music and listen to the sounds around you
- Focus your footsteps and the rhythm that you’re walking

**be active**
- Try to pick up your usually pace
- Walk for twice as long

**learn and discover**
- Try listening to a new podcast
- Google search a plant or flower you come across

**be healthy**
- Wrap up warm
- Take a herbal tea with you
- Drink a big glass of water before and after your walk
