

TWENTY65 Conference

Virtual, 15 - 18 March 2021

A unique opportunity for Researchers, Practitioners, Water Companies, Technology Developers, Policy Makers and Regulators to network and learn together.

As well as celebrating some of the key findings from the TWENTY65 Project, this year's four day, online, conference will have two additional focuses:

- **Innovation in Water**
- **Climate & its Impact on the Water Sector**

BONUS invitation to The Social Science of Water Network Plenary for all conference registrants.

**Submit your abstract
by 29 January 2021**

The call for abstracts is now open

We are seeking abstracts for the following topics (but not limited to):

- Future Solutions
- Treatment Advances
- Public Engagement
- Green Infrastructure
- Water Efficiency
- Emerging Solutions
- Climate Change
- Collaborative Innovation

We also welcome proposals for interactive workshops of 1 hour in length.
