

## **Barriers to help-seeking for sexual harassment.**

- **If you are a student at the University of Manchester, you are invited to take part in a research project investigating barriers against help-seeking for experiences of sexual harassment on campus.**
- **The study will take no more than 30 minutes to complete, and all participant information will remain anonymous.**
- **Psychology undergraduate students will receive course credits for participation.**
- **This project is being conducted as a postgraduate thesis for the MSc Forensic Psychology and Mental Health programme in the School of Health Sciences, University of Manchester.**
- **If you are interested in participating, please use this link**
