The University of Manchester ITT Core Curriculum Framework visual overview of intent

University of Manchester PGCE
Empowering Future Generations

It is our intent to provide all of our trainee teachers with an inclusive, rich, broad, balanced and challenging curriculum, which is sufficiently flexible and adaptable to meet trainee personal and professional needs whilst also addressing both local and national needs and priorities.

	University-based training led by expert tutors, colleagues from across MIE, UoM and school-based colleagues	School-based training led by experienced and trained mentors	On-line learning, self-study and assignment writing	Peer learning, study and support	High quality CPD for trainees, mentors, tutors and NQTs
High Expectations (Standard 1)					
How Pupils Learn (Standard 2)					
Subject and Curriculum (Standard 3)					
Classroom Practice (Standard 4)					
Adaptive Teaching (Standard 5)					
Assessment (Standard 6)					
Managing Behaviour (Standard 7)					
Professional Behaviours (Standard 8)					

Learn that..

Learn how to..

Understand that..

Understand how to..

Question that..

Question why..

Evaluate that....

Evaluate why....

Reflect on...
