

# University of Manchester PGCE “Empowering Future Generations”

It is our intent to provide all of our trainee teachers with an inclusive, rich, broad, balanced and challenging curriculum, which is sufficiently flexible and adaptable to meet trainee personal and professional needs whilst also addressing both local and national needs and priorities.

University-based training led by expert tutors, colleagues from across MiE, UoM and school-based colleagues

School-based training led by experienced and trained mentors

On-line learning, self-study and assignment writing

Peer learning, study and support

High quality CPD for trainees, mentors, tutors and NQTs

Learn that..
