[tara.jones-2@manchester.ac.uk](mailto:tara.jones-2@manchester.ac.uk)

Please note that we are currently operating hybrid working split between the office from home. If you would like to arrange a telephone meeting or Zoom meeting, please Contact us by e mail and we will get back to you

**Faculty Fellowship Academy:** Our goal is to help bright researchers gain externally-funded fellowships. A personal award from MRC, Wellcome Trust, NIHR or equivalent is the best possible launch pad for a future independent research career. Support includes: 121 clinic sessions with senior academics with funding panel experience, putting you in touch with those who have 'been there, done that', peer review assistance, provision of interview skills sessions and mock interviews should you be shortlisted for interview, information/networking events, coordination of Dean's Prize awards. Whether you currently hold a fellowship and want help with the next step, or are looking to apply for your first, early career fellowship, we can help.

**Administrative Support:** Support for the formation and ongoing management of research networks by coordinating meetings, workshops and large events that help collaborations grow and prosper. Assistance with the planning, coordination and management of projects and initiatives. RBS PA provides support to the Vice Dean for Research & Innovation and Head of Research and Business Engagement.

Faculty of Biology, Medicine and Health | Room 4.64 Simon Building | Brunswick Street | The University of Manchester | M13 9PL
