

SUPPORT FOR REFUGEES AND ASYLUM SEEKERS

Preparing your application

If you are a refugee or seeking asylum in the UK, we have support in place to help you feel welcomed and safe at Manchester.

Explore this short guide and get the help you need to start your undergraduate journey.

MEET EMMA

Hello, I'm Emma and I'm the University's dedicated contact for refugees and asylum seekers. Get in touch with me for application advice and information about the support services that are available during your entire student experience.

APPLICATION FORM

Refugees may be eligible for a contextual offer of up to two grades lower than our standard offer on selected courses.

Please use the 'residential category' question on the UCAS application form to indicate your refugee status. Anything you share will be in confidence and helps us to be aware of your circumstances.

FINANCIAL SUPPORT

We help sanctuary seekers afford university with our five Article 26 Sanctuary Scholarships, which cover the cost of tuition fees and support towards the cost of living. Certain students may also be eligible for tuition fee concessions.
