

Welcome Week 2023 Timetable

18-22 September 2023

BSc International Business, Finance and Economics

Welcome to Alliance Manchester Business School (AMBS) and the BSc International Business, Finance and Economics degree programme.

Below is a copy of your programme Welcome Week timetable. Each day there will be activities for you to get involved in and the chance to find out more about the course, School, and University.

In addition to your programme timetable, there will be University-wide Welcome activities to help you meet people and settle into our community. Check out the [What's on during Welcome](#) page and [Students' Union events](#) page to find out about other activities happening around the University of Manchester.

Take a look at the [Welcome to Manchester](#) webpages to help you settle in. These contain key information about registering your attendance, safety on campus, student support and preparing for your studies.

I hope you have a really enjoyable first few weeks on campus, making new friends and discovering everything that we have to offer.

Best of luck for the new academic year!
