Welcome to Alliance Manchester Business School (AMBS) and the BSc (Hons) Information Technology Management for Business (ITMB) and BSc (Hons) Information Technology Management for Business (ITMB) with Industrial Experience degree programme.

Below is a copy of your programme Welcome Week timetable. Each day there will be activities for you to get involved in and the chance to find out more about the course, School, and University.

**Dr Tatiana Martinez**

**Programme Director**

In addition to your programme timetable, there will also be University-wide Welcome activities to help you meet people and settle into our community. Check out the [What's on during Welcome](#) page and [Students' Union events](#) page to find out about other activities happening around the University of Manchester.

Take a look at the [Welcome to Manchester](#) webpages to help you settle in. These contain key information about registration, safety on campus, student support and preparing for your studies.

I hope you have a really enjoyable first few weeks on campus, making new friends and discovering everything that we have to offer.

Best of luck for the new academic year!
