In addition to your programme timetable, there will also be University-wide Welcome activities to help you meet people and settle into our community. Check out the [What's on during Welcome](#) page and [Students' Union events](#) page to find out about other activities happening around the University of Manchester.

Take a look at the [Welcome to Manchester](#) webpages to help you settle in. These contain key information about registration, safety on campus, student support and preparing for your studies.
