

School of Biological Sciences: Postgraduate Taught programmes Welcome Week 2021/22

School-level events

Tuesday 14th September, 11:00

Location: online (*link TBC*)

Event: *Welcome and Introduction to the School of Biological Sciences*

Professor Sarah Herrick, SBS PGT Director
Dr. Kathy Hentges, SBS PGT Student Experience Lead
SBS PGT Administration Team

Monday 20th Sept, 13:30-14:30

Location: online (*link TBC*)

Event: *IT Services Information Session*

A colleague from IT Services will give a ten-minute overview of the IT services available for students, and the support services which come with them.

Thursday 23rd September, 13:30-14:30

Location: Outdoor 'stretch tent', [Alan Gilberts Learning Commons](#)

Event: *Welcome to the School of Biological Sciences!*

Please join us at our Welcome Event. You will have chance to meet your Programme Directors and other students on your programme. Representatives from the SBS PGT Administration Team and the Manchester Student Union will also be present.

**Refreshments will be provided*

Online or Pre-Recorded Events

We have other online and pre-recorded sessions to share with you. Further information will follow over the next couple of weeks. These sessions can be viewed at your convenience.

Programme-level events

You will be contacted separately regarding welcome and induction events for your specific programme.
