Audio-Visual System User Guide: Electrical Drives Lab

2nd Floor Engineering Building B

Space overview:

This lab features a projector, speakers and a handwriting capture board.

Projector Control Panel:

1 Display Power

The ON and OFF buttons powers the projector on or off. The buttons illuminate to show the current status or flash to indicate that the projector is warming or cooling.

2 Volume

The Volume dial allows incremental or decremental control of the sound level from the speakers.

3 Sources

The source buttons are used to select from the available sources:

HDMI: HDMI input plate next to the control buttons. Connect your device with a HDMI cable and select this source to use.

Solstice: Mersive Solstice wireless collaboration and display system. On selecting this source, the screen will display the connection details and security code needed to do this. For more details on how to use the Solstice system visit: www.solstice.manchester.ac.uk
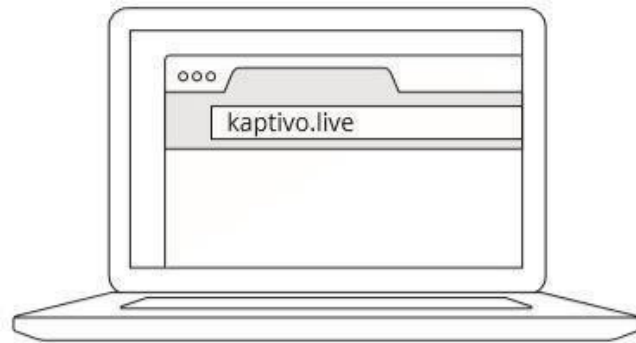

Handwriting Capture system:

This lab also features a Kaptivo handwriting capture system. This consists of a camera positioned above a traditional whiteboard and allows for capturing and sharing of any written content, (the whiteboard can also be used in the traditional manner).

To use the Kaptivo system:

1. Open a web browser on any device and browse to kaptivo.live

2. You will then be prompted to enter your name and a unique Kaptivo ID. The unique ID can be found on the base of the camera, (the camera is mounted above the whiteboard), and will consist of 6 capital letters. Enter these details to continue.

3. Press the button the Kaptivo control pad, (to the side of the whiteboard), when it flashed blue.

Further details can be found at Kaptivo.com

Reporting faults and getting support:

Should you experience a fault with this system, please report to the Media Services Helpdesk via internal extension 52521 or by contacting mediaservices@manchester.ac.uk
