

## Audio-Visual System User Guide: Textiles Teaching Lab

### 3rd Floor Engineering Building A

#### Space overview:

This lab features a large, wall-mounted display and associated control panel.

#### Control Panel:

##### 1 Display Power

The ON and OFF buttons powers the display on or off. The buttons illuminate to show the current status or flash to indicate that the display is warming or cooling.

##### 2 Volume

The Volume dial allows incremental or decremental control of the sound level from the display.

##### 3 Sources

The source buttons are used to select from the available sources:

**HDMI:** HDMI input plate next to the control buttons. Connect your device with a HDMI cable and select this source to use.

**Solstice:** Mersive Solstice wireless collaboration and display system. On selecting this source, the screen will display the connection details and security code needed to do this. For more details on how to use the Solstice system visit: [www.solstice.manchester.ac.uk](http://www.solstice.manchester.ac.uk)

#### Reporting faults and getting support:

Should you experience a fault with this system, please report to the Media Services Helpdesk via internal extension 52521 or by contacting [mediaservices@manchester.ac.uk](mailto:mediaservices@manchester.ac.uk)
