

## Audio-Visual System User Guide: Student Practical Area

### Ground Floor Engineering Building A

#### Space overview:

This space features five display screens mounted around the area, all displaying mirrored content and a control interface.

#### Control Panel:

The control panel functions are separated into 3 distinct areas:

##### 1 Display Power

The ON and OFF buttons power the displays, (all simultaneously), on or off. The buttons illuminate to show the current status of the display or flash to indicate that the displays are warming or cooling.

##### 2 Volume

The Volume dial allows incremental or decremental control of the sound level from the displays.

##### 3 Sources

The source buttons are used to select from the available sources:

**HDMI:** HDMI input plate. Connect your device with a HDMI cable and select this source to use.

**Solstice:** Mersive Solstice wireless collaboration and display system. On selecting this source, the screen will display the connection details and security code needed to do this. For more details on how to use the Solstice system visit: [www.solstice.manchester.ac.uk](http://www.solstice.manchester.ac.uk)

#### Reporting faults and getting support:

Should you experience a fault with this system, please report to the Media Services Helpdesk via internal extension 52521 or by contacting [mediaservices@manchester.ac.uk](mailto:mediaservices@manchester.ac.uk)
