****Career planning for Level 3 students: what, when and how to do this thing called a ‘career’?***

Suzanne & Claudia (your SBS Career Consultants) will describe different strategies you can use to prepare for what’s next after graduation and the actions you need to take to make it happen. The session will explore finding and applying for postgrad study and graduate jobs, also what to do if you have no idea (or don’t want to think about it right now).

Note that Year 3 MSci students will receive a separate talk about careers in semester-time (look out for emails about this).

Monday 23rd September

09:00 **Lectures Begin**
