

School of Biological Sciences
University of Manchester
WELCOME WEEK PROGRAMME FOR YEAR 4 MSci STUDENTS 2023

Programme: MSci
Academic in charge: Dr Martin Pool
Email: martin.r.pool@manchester.ac.uk

Tuesday 19 September

10:00 - 11:30 **Introductory Talk and Q&A with Unit Coordinator (face to face)**
Location: Theatre C, Simon Building

This session will cover the structure of Year 4 and details of the assessments. Attendance is expected. If you are not able to attend, you must inform the unit coordinator (Martin Pool) and review the slides.

Wednesday 20 September

13:00 - 14:00 **Drop in Clinic**
Location: 4.213 University Place

For any queries, concerns or just to say hello to the academic in charge (Martin Pool).

Friday 22 September

10:00 - 11:30 **Introduction to MSci Journal Clubs (face to face)**
Location: G.22, Mansfield Cooper

This session will discuss the format and organisation of the MSci Journal Clubs. Students will be split into their Journal Club groups for initial activities. Attendance is expected. If you are not able to attend, you must inform the unit coordinator (Martin Pool) and review the slides.

13:00 – 14:00 **Drop in Clinic (online)**
For any queries, concerns or just to say hello to the academic in charge (Martin Pool), please join the waiting room using the link below:
