

How to add MAP to your UCAS application

There are two places that you need to reference MAP in your UCAS application:

1. When you add a choice at The University of Manchester to your UCAS application, you need to make sure 'MAP' is in the further details :

The screenshot shows the 'Add choice' form in the UCAS system. It includes several fields: 'Main Site' (a dropdown menu), 'Start date' (a date selector showing '19 September 2022'), 'Further details' (a text box containing 'MAP'), and 'Point of entry' (a dropdown menu showing '1st year'). An orange arrow points from the 'Further details' text box to the 'MAP' text, highlighting the requirement to include 'MAP' in this field. At the bottom right, there are 'Save' and 'Cancel' buttons.

Add choice

Main Site

Start date *

19 September 2022

Further details

You only need to provide information here if your chosen university or college has asked you to.

MAP

Point of entry

This tells the universities and colleges which year of the course you want to start. If you don't select a year, you will be considered for the first year of the course.

If you've spoken to your chosen university or college and they are willing to consider your application for a course after the first year, please enter the year you wish to start, e.g. 2nd year.

How to add MAP to your UCAS application

2. In the 'diversity and inclusion' section of your profile, you will need to add an activity in preparation for higher education:

[Personal details](#)
[✓ Contact and residency details](#)
[Education](#)
[Employment](#)
[Nationality details](#)
[Supporting information](#)
[English language skills](#)
[Finance and funding](#)
[Diversity and inclusion](#)
[Personal statement](#)
[Reference](#)

Dual national identity
If you have dual nationality, select your first nationality in the previous field and your second nationality here. If you do not have dual national identity leave this blank.

Activities in preparation for higher education
For example: summer schools, Saturday university, campus days, summer academies, taster courses and booster courses. If you have not taken any such course, please leave this section blank.

How to add MAP to your UCAS application

The screenshot shows a web form titled "Add activity" within a dark blue border. The form has a white background and rounded corners. At the top, there is a dropdown menu with "Other" selected. Below this is the "Start date" section, which includes "Month" and "Year" dropdowns, with "02" and "2021" selected respectively. The "Duration (days)" section has a dropdown menu with "14" selected. The "School year" section has a dropdown menu with "12" selected. The "Location" section has a text input field containing "University of Manchester". At the bottom right of the form are two buttons: a blue "Save" button and a blue "Cancel" button. A vertical scrollbar is visible on the right side of the form area.

Number of days: It's difficult to calculate the programme in days as obviously it takes place across a period of months and different students take part in different things. However, if you totalled up the number of hours you have spent on the activities we would recommend putting 14 days.

Start date: most of you are MAP 2021 students and therefore should put 02/2021 as the start date. If you are a previous student, please make sure you adjust the date accordingly.
