Course outlines

Academic Writing Fundamentals

Week 1: Starting the process and writing introductions

Explore the steps you can take while writing an assignment and practise analysing titles, as well as writing an introduction.

Week 2: Referring to sources and showing your attitude

Look at different ways in which you can refer to sources and learn how to express your attitude towards citations.

Week 3: Organising the information and editing

Analyse examples of well-organised academic texts, then learn how to edit for sense, style and accuracy.

Week 4: Reading into writing

Review academic reading strategies and practise applying them to identify key information from extracts and use it to write a paragraph.

Core Skills for Academic Speaking

Week 1: Participating in seminars at university

Explore the purpose of seminars and how to take part in them effectively, before taking part in a seminar to practise turn-taking, making a point and referring to sources.

Week 2: Discussing a project

Use a range of language to summarise extracts, and comment on strengths, weaknesses, opportunities and threats of a project to build a new stadium in Manchester. Should the project go ahead?

Week 3: Individual presentations of personal objectives

Examine strategies to create strong introductions that will engage your audience and learn how to present with slides and other visual aids.

Week 4: Group presentations about time-management

Read extracts about different time-management techniques before presenting summaries with effective transitions between speakers and a Q&A.

The Kahoot! logo is prominently displayed in a large, white, rounded font with a blue outline. Above the logo, there are two small, colorful, rectangular icons with rounded corners, one of which is surrounded by a small starburst. Below the logo, a stylized globe is shown with various colored location pins (red, green, blue, orange) placed on it. The background of the left side of the image is a solid purple color, while the right side is white.

CANVAS: YOUR CENTRAL LEARNING ENVIRONMENT

Canvas is the University of Manchester's central learning environment. Throughout your time studying at Manchester, you will use Canvas to navigate your course, access course materials, lecture recordings, submit assignments, and more.

Stay connected with your studies on the go

- > The [Canvas Student app](#) makes it easy to keep on top of your learning, wherever you are. From your mobile device, you can access course materials, take part in discussions, submit assignments, check your grades, and stay organised with calendars, to-do lists, notifications and messages - all in one place.

Find out more about how to get started [with Canvas](#) on the Student Support webpage.

MANDATORY COURSES IN CANVAS

As a new student, you will be required to complete mandatory courses in Canvas:

- > **Health and Safety course (BMAN11230)**
- > **Academic Malpractice Awareness course (BMAN11021)**

The instructions will be available on your Canvas page, so please make sure you complete the courses in a timely manner.

ASSESSMENT – WHAT TO EXPECT?

Semester 1 exams take place in January:

- > *Thursday, 14 January 2027 - Friday, 29 January 2027*

Semester 2 exams take place in May/June:

- > *Monday, 17 May 2027 - Wednesday, 9 June 2027*

[Find out more about the general exam guidance, including exam timetable, mitigating circumstances, and support during exam periods on the AMBS Undergraduate Handbook.](#)

- > Some courses are assessed by exam or coursework only, and others using a combination of both. [Familiarise yourself with guidance on assessment, feedback, and academic malpractice on the AMBS Undergraduate Handbook.](#)
- > You can find out how a course is assessed by looking at the course outline. All course outlines can be found via My Manchester. It is your responsibility to check your coursework deadlines and your exam dates, times and venues.

FEEDBACK

- > Written and/or verbal comments on assessed or non-assessed coursework.
 - > Specific course related feedback sessions.
 - > Group feedback provided via an online discussion forum.
 - > Informal advice and discussion during a lecture, seminar or workshop.
 - > Online exercises and quizzes delivered through the course Canvas page.
 - > Responses to your emails and questions.
- > Written and/or verbal comments after you have given a group or individual presentation.
 - > Generic feedback posted on Canvas regarding overall examination performance.
 - > Group and individual discussions/meetings with your Academic Advisor.
 - > Discussions and meetings with your Programme Director.
 - > [Find out more about coursework feedback on the AMBS UG Handbook.](#)

PROGRESSION ROUTES TO YEAR 2

1. Pass everything (40%+ in 120 credits); **OR**
 2. Pass 40% + in at least 80 credits and have a “compensated mark” (30-39%) in a maximum of 40 credits ; **OR**
 3. Receive a mark below 40% in more than 40 credits = compensation and REASSESSMENT ; **OR**
 4. If you fail any course below 30% = REASSESSMENT
-
- > You can be reassessed in courses up to a maximum of 80 credits
 - > Read more about exam procedures and regulations on the AMBS Undergraduate Handbook.

REASSESSMENT

- > Resits take place during August.
- > Resits are for progression only and are not a second chance for you to obtain a better mark.
- > If you fail your resits, you risk exclusion from the programme.
- > [Read more about reassessment on the AMBS Undergraduate Handbook.](#)

DEGREE WEIGHTINGS

Year 1: Zero

- > Need to pass to proceed to second year.
- > Marks do not count towards degree classification, but do appear on your transcript of marks.
- > Marks are important when applying for internships, placement and work opportunities.

Year 2: weighted 33% towards your overall degree.

Year 3: weighted 67% towards your overall degree.

- > [Find out more about the degree regulations for your particular programme on the AMBS Undergraduate Handbook.](#)

ATTENDANCE AND ENGAGEMENT

- > Success starts with **good** attendance!
- > You are expected to attend **and** log your attendance in all timetabled classes (lectures, seminars, labs, workshops etc.) and remain in Manchester, on campus during term time.
- > You are expected to avoid any behaviour that would interfere with the learning and engagement of others.
- > If you are on campus and unable to attend a class due to illness or other good reason you need to submit an absence request using the SEAtS app.
- > **Attendance in classes will be monitored.**
- > **Be punctual** to classes, especially when externals (i.e. industry partners) are coming in.

STUDENT ENGAGEMENT AND ATTENDANCE SYSTEM (SEATS)

- > Our Student Engagement and Attendance System (SEAtS) enables students and staff to log attendance at teaching sessions, such as lectures and seminars.
- > The SEAtS system will help you stay on top of your academic schedule and will actively support your engagement and wellbeing, allowing us to offer you further support during your studies should you need it.

How to use SEAtS:

- > Download the SEAts App
 - > Log in using your University email
 - > Select a teaching event and scan the QR code
-
- > For more information about SEAtS, please visit the [SEAtS guide for students](#).

ACADEMIC ADVISORS

Every student is assigned an Academic Advisor. You will meet your Academic Advisor through one of your first year course units and they will usually continue as your Academic Advisor throughout your programme of study.

Your Academic Advisor will be able to:

- > Discuss your career aspirations and help you develop your CV
- > Write your academic reference when you apply for a job or further study
- > Help you understand feedback on your course units
- > Help you with your Personal Development Plan
- > Offer academic guidance and advice
- > Signpost and refer you to other specialist support services within the University

[Read more about Academic Advisors on the AMBS Undergraduate Handbook.](#)

RAISING ISSUES

- > If you experience an issue that relates to the quality of the undergraduate teaching and learning experience within AMBS, you should follow the steps highlighted in our flowchart to seek a resolution.
- > Familiarise yourself with the steps that you need to take to raise an issue on this flowchart.

DIGNITY AT WORK AND STUDY POLICY

- > The University of Manchester does not tolerate any form of harassment, discrimination or bullying. If you believe that you are being bullied or harassed, you can receive confidential professional advice to help deal with the issue and ensure that you are getting the support you need.
- > [The University's Dignity at Work and Study Procedure for Students applies to all students.](#)
- > [The University's Student Support website offers an Advice and Response Service](#) to speak to an Advisor or anonymously report bullying, harassment, gender-based violence, sexual harassment and discrimination.

STUDENT REPRESENTATIVES

Are you passionate about improving the student experience?

- > All AMBS programmes have at least one Student Rep. They are chosen to act as the representative for their particular programme for one academic year.
- > Reps facilitate communication between students and School/University to tell us what's going well and what we can improve on.
- > Reps will be involved on Programme Committees, focus groups and the Student Voice Committees (SVCs).
- > **Applications to become an AMBS Student Rep are now OPEN for this academic year.** The recruitment is held via the UoM Students' Union, and more information will be circulated to your student email address.
- > Find out more about the role on the Uni of Manchester Students' Union page.

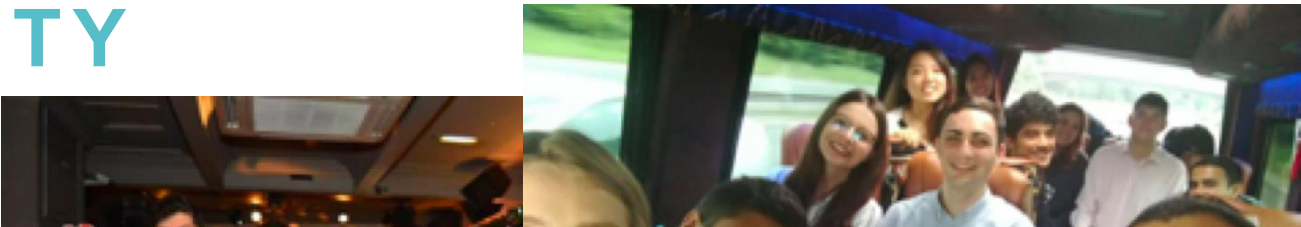

STUDENT SOCIETIES

- > Join a student society to find friends with similar interests and improve your personal skills!
- > You will have the opportunity to learn more about the student societies during Welcome Week at the Student Fair.
- > [Find out more about Uni of Manchester Students' Union clubs and societies.](#)
- > [Find out more about AMBS Student Societies on the AMBS Undergraduate Handbook.](#)

ITMB SOCIETY

PEER MENTORING SCHEME

What is it?

- > Upon joining us in your first year, you will be assigned to a pair of mentors as part of the Peer Mentoring Scheme.
- > These mentors are second, third or final year students who have first-hand knowledge of the 'Freshers' experience. All of the mentors are fully trained.
- > There may be things you feel more comfortable discussing with fellow students rather than University staff, and this is why peer mentors are extremely beneficial. We would be able to help you settle as smoothly as possible into university life here at the University of Manchester, on both a social and academic level.

How will it work?

- > You can expect to receive an email during the Welcome period outlining who your allocated two mentors are for the year.
- > The mentors will be responsible for a group of approximately 15 first-year students.
- > The meetings will be either in-person or online, and the mentors will contact you to let you know when the first meeting will be.

[Read more about Peer Mentoring Scheme on the AMBS Undergraduate Handbook.](#)

STELLIFY

- > The Stellify Award is a unique University of Manchester award supporting your personal development and graduate outcomes alongside your studies.
- > The scheme gives you the chance to make a difference in a way that feels authentic to you, your passions and interests. Through **volunteering, leadership roles and ethical grand challenges**, you'll not only take action to help causes you truly care about, but will also be prepared for life after university and will enter the world of work feeling confident in your abilities.
- > [Read more about Stellify.](#)

FINAL REMINDERS

- > Read the **UG Handbook!**
- > Check your **University e-mails regularly!** You can download the Outlook app on your mobile devices.
- > **Download MS Teams** (both on your computer and mobile device).
- > Make sure you're on the **ITMB MS Teams!**
- > **Use of the ITMB Lab:** you will be provided with the door code and are allowed to use it outside of class time. You cannot share the door code with students on other programmes. Use of the ITMB Lab is for ITMB students only.
