

# Research Governance, Ethics & Integrity

Queries about research ethics?

Unsure what approvals you need?

Want advice on preparing an application?

## University Ethics Decision Tool

Find out if you need ethical approval for your study using our interactive online tool.

[Click here to access the tool](#)

## Application Preparation

From template consent forms to advice about advertising, fieldwork and collaborations, find everything you need to help you complete an ethics application on our website.

[Click here to visit our website](#)

## Research Ethics Training

Want to learn more about what ethics committees are looking for? Take a look at our Faculty specific handbooks for detailed advice and case study examples.

Support for using the ERM system and advice on GDPR is also available.
