

A week in the life of our Drama and Film student, Tillie

Hi, I'm Tillie a third-year international student on the BA Hons Drama and Film course. I'm from Vermont and take every opportunity to remind people of this. In my free time, you can find me watching murder mystery shows, doing embroidery, eating bread, or, most likely, all three at once. I love the close-knit Drama and Film community at Manchester and I'm consistently astounded by the poise, intelligence, and tenacity of my coursemates and lecturers.
