

COVID-OUT

**Take part in vital research
to help stop COVID-19**

By volunteering, you can:

**Help us learn
how to more effectively
stop the virus spreading
and get working life back
closer to normal.**

**Find out if
you have protective
antibodies against COVID-19
due to your vaccination or a
past infection.**

**Play your
part in some of the
most important science
happening in the
world today.**

**Enable your
business to receive
tailored advice to make
your workplace
safer.**

Receive up to £50 in vouchers

We are inviting everyone in your workplace to take part in this study, regardless of whether you are infected with COVID-19.

COVID-OUT

PROTECT
A COVID-19 National Core Study

If you are an employer:

Liaise with the study team, read the information sheet and sign the consent form. ✓

Nominate a contact to provide information on your workforce and shift patterns, and receive your environmental assessment and tailored advice. ✓

Allow our scientists access to your site on one to four separate days. ✓

Work with the study team to sign up employees as voluntary participants - we will provide promotional materials. ✓

Employees can sign up now using the link or QR code on your site-specific COVID-OUT flyer.
