Perfect! Highly committed staff, a large variety of courses, thrilling city. I would have liked to stay longer and I’m going to recommend The University of Manchester to everybody who wants to do an exchange or has the possibility to study abroad for his/her whole degree.

Anna Wrzal, University of Freiburg, Germany
Welcome to The University of Manchester

The University of Manchester is one of the top universities in Europe and indeed the world, internationally recognised for both its teaching quality and research excellence. We have teaching and research in more subjects than any other single-site British university, and due to our academic structure we are able to offer a very wide range of course units to students who choose to study abroad here.

The University of Manchester is one of Britain’s most famous civic universities with a rich heritage of cutting-edge innovation and enterprise stretching back more than 180 years. Many of the major advances of the 20th century began at the University, including work by Rutherford leading to the splitting of the atom, and the development of the world’s first modern computer in 1948. The University – like Manchester itself – is a truly cosmopolitan community which last year welcomed students from almost 180 different nations. The vibrant campus and energy of the surrounding city creates an environment that provides an exciting place to live, study and explore.

As a student here you will be well catered for – and you can be certain that you will be studying at a university with a long and distinguished record of academic achievement. 25 of our current and former staff and students have gone on to become Nobel Prize winners – including Professors Sir Andre Geim and Sir Konstantin Novoselov, creators of Graphene – and our graduates include: actor Benedict Cumberbatch, TV Physicist Brian Cox, novelist Anthony Burgess, philosopher Wittgenstein, flight pioneer Arthur Whitten-Brown, and women’s rights campaigner Christabel Pankhurst. As a student at The University of Manchester you can have the confidence of belonging to an academic community of distinction, with over 39,000 students drawn from across the world, and more than 5,500 academic and research staff, including many with international reputations in their subjects.

*Under negotiation*

---

If you are currently enrolled as a degree-seeking student at any accredited university or college of higher education outside of the United Kingdom, you can apply to spend a semester or full year here at The University of Manchester, usually earning credit towards the degree you will receive from your home university. Students find that spending a period of study at one of the world’s best universities is not only a great experience in itself, but also enhances their academic insights, employability and life skills.

You can choose from a wide range of subjects to construct your academic Study Abroad Programme, and, subject to meeting pre-requisites (or the terms of the exchange agreement), you are not restricted to studying within one discipline area. We also offer a number of specialist Pathways, which enable Exchange and Study Abroad fee-paying students to focus on areas such as Pre-Law, Sustainability, Leadership and Service, and English Language.

Details of these Pathways can be found on pages 24-25.

You can apply to join our Study Abroad Programme as either an Exchange student or a Study Abroad fee-paying student.

**Study Abroad fee-paying students**

If you are currently studying at a university outside the UK with whom Manchester does not have a reciprocal agreement, you may apply to join our Study Abroad Programme for a single semester or full academic year as a Study Abroad fee-paying student.

You can apply to join us directly, using our online application process; via the College of Global Studies at Arcadia University; via The Study Abroad Foundation (SAF); or (where we are an approved/sponsored programme) via your home university’s Office of International Programmes.

Tuition fees are payable for your study with us.

**Exchange students**

The University of Manchester has exchange partnerships around the world. These partnerships enable eligible students based at these partner universities to spend either a year or semester with us, usually without independently paying any tuition fees to The University of Manchester.

To be eligible to join us as an Exchange student, your home university must nominate you. Some of our exchange agreements allow students from any discipline to join us, whilst others are only open to students from specific disciplines. We welcome students from exchange partners all over the world – both under the Erasmus+ Programme (EU exchanges) and our Worldwide (non-EU) Exchange Programme.

**‘Exchange Extra’**

If you study at an exchange partner university, but are not eligible to join us as an Exchange student for example, because there are insufficient places in a particular year, or because your discipline area is not covered by the exchange agreement, you can apply to join us as a Study Abroad fee-paying student, and will receive a 10% ‘Exchange Extra’ discount off the regular study abroad tuition fee.

---

Please note that the Alliance Manchester Business School and the School of Biological Sciences have separate exchanges. For AMBS exchange partners, please see www.mbs.ac.uk/programmes/undergraduate/international-exchange for details.

*Under negotiation*
I’m a student with a disability, so I was worried about what kind of support would be available in another country. I was really impressed with the excellent support I received. It made me feel much more confident. I would highly recommend studying at The University of Manchester to any student who wants a great academic experience in an amazing city.

Alison Griggs,
York University, Canada
MANCHESTER CULTURE
CAPITAL OF THE NORTH

Why choose Manchester?
You couldn’t choose a better place to be a student! The City is home to the largest student population in Western Europe, and the University itself is at the heart of Manchester, so the city centre will play a big part in your life during your time with us.

20 THINGS WE LOVE ABOUT MANCHESTER

- Bonfire Night in Platt Fields Park
- A Saturday night in the bars and clubs in the city centre
- Eid on the neon Curry Mile
- All day breakfasts in the cafes in Didsbury
- Hopping over to Europe for the weekend on a budget airline
- Chinese New Year celebrations in Chinatown
- Never having to wait more than 5 minutes for a bus, even at midnight
- Snowboarding at The Chill Factore in the middle of summer
- Sampling the café culture in the Northern Quarter
- A Champions League match at Old Trafford
- Manchester Mardi Gras along Canal Street
- Catching a massive band at the MEN Arena
- Doing the Manchester Midnight Walk on a warm June evening
- The Manchester Fish Festival at HOME
- Cheering on the rowers in the Manchester vs Salford Universities Boat Race
- A Manchester United vs Manchester City derby match
- Traveling to Blackpool for the illuminations on a crisp November night
- Theatre and film
- Theatre and film is at the heart of Manchester’s cultural scene. The University has its own theatre and arts venue, the Contact Theatre, and the city is home to many small theatres, comedy clubs and performance venues. Manchester is also the birthplace of many famous actors and actresses. Manchester has a diverse range of shops, from high street fashion to independent boutiques.

LOCATION, LOCATION, LOCATION
While Manchester has a beguiling way of claiming your heart, we know that you will want to explore beyond the city and even perhaps beyond Britain whilst you are staying with us. Because of its prime location on the national and international network of air, rail, road and motorways, Manchester operates as a gateway to all areas of the country and to the rest of Europe. There are direct flights from Manchester International Airport to major European cities and beyond. Closer to Manchester you can find the Lake District National Park and Snowdonia National Park, and closer still beautifully maintained country houses and parkland dating from as early as the 15th century.

SOUNDS OF THE CITY
Musically, the city cannot be surpassed. This is the city responsible for Oasis, New Order, The Smiths, Take That, Badly Drawn Boy, and countless others. Classical music lovers also have a wide choice including the Bridgewater Hall (where the Hallé and the BBC Philharmonic orchestras perform) and the Royal Northern College of Music. Big names play at The Academy, our music venue based on campus right next to the Students’ Union.

ART AND MUSEUMS
Manchester’s galleries and museums are world class. The University of Manchester’s Whitworth Art Gallery is home to an impressive range of watercolours, prints, drawings, modern art and sculpture, as well as the largest collections of textile and wallpaper outside London. Located on campus, the University’s own Manchester Museum has won plaudits and awards, and like many in the city, offers free entry. The Imperial War Museum North, the Museum of Science and Industry, Otho’s, the Lowry and the Manchester Art Gallery are also not to be missed.

FASHION FLAIR
You may not be a student of fashion retailing, but you’ll probably still be pleased to know that Manchester has an enviable range of big high street and designer names, designer boutiques and chic boulevards. Selfridges, Harvey Nichols, Patagonia, Cox, Vivienne Westwood, Armani, DKNY, Hugo Boss and Paul Smith all have sprawling stores in the city centre. The nearby Trafford Centre – a 150 acre out-of-town shopping and leisure mall – is also home to around 280 high street and designer outlets. Many students also enjoy browsing in Afflecks Palace and other second hand and independent stalls in the city’s Northern Quarter.

WEATHER IN MANCHESTER
Like the rest of the UK, the weather in Manchester can be described as ‘changeable’. It has a temperate climate and in the summer, you can expect some long sunny days, when students like to make use of the green areas on campus and the many parks that are nearby. The winter months can be cold with occasional light snowfall, and rain can fall at any time of year, so pack an umbrella!

THEATRE AND FILM
Theatre and film is at the heart of Manchester’s cultural scene. The University has its own theatre and arts venue, the Contact Theatre, and the city is home to many small theatres, comedy clubs and performance venues. Manchester is also the birthplace of many famous actors and actresses. Manchester has a diverse range of shops, from high street fashion to independent boutiques.

Many students also enjoy browsing in Afflecks Palace and other second hand and independent stalls in the city’s Northern Quarter.
RELIGIONS AND FAITHS
Manchester is a large cosmopolitan city, with places of worship for the vast majority of faiths and religions available on campus and in the city. There are two chaplaincy centres for the major Christian churches on campus. St Peter’s House provides Chaplains for the Anglican, Baptist, Methodist and United Reformed Churches, while the Roman Catholic Chaplaincy is at Avila House. There are two Prayer Rooms provided on campus, and places of worship for the vast majority of faiths. A number of Mosques are conveniently located near to the University and student areas.

Two Prayer Rooms are provided on campus, and places of worship for the vast majority of faiths. A number of Mosques are conveniently located near to the University and student areas.

There are many Buddhist Centres across the city, various Jewish synagogues, and facilities for Sikh and Hindu worship close to the popular residential areas for students. There are also student societies for many of the major religions.

TASTE SENSATIONS
Manchester is a truly cosmopolitan city. Waves of immigrant communities – German, Jewish, Irish, Italian, West Indian, Chinese, Indian and Pakistanis – have nestled snugly into the city, adding their customs and cultures to the melting pot. Check out Rusholme’s Curry Mile, a road full of neon-lit restaurants. Each week, 15,000 people flock here to savour curry in the city’s most famous export – their Old Trafford football ground seats around 76,000 and is the largest club ground in Britain. Cricket enthusiasts can check out rising stars at Lancashire’s Old Trafford cricket ground.

For those who prefer to play sport, the University Athletics Union offers clubs from Archery to Yachting; in addition, there are many local amateur teams that welcome students. As you would expect with a city of massive sporting reputation, the campus has many excellent sports facilities all offering student discounts. For example, the Manchester Aquatics Centre is one of our premier sports facilities with state-of-the-art pools and alpine fitness suite. Also on campus, you’ll find the modern Sugden Sports Centre and near to Owens Park halls of residence is the Armitage Centre with facilities for five-a-side football, badminton, squash, martial arts and weightlifting.
Teaching: Innovation and Quality

The University’s academic excellence is complemented by its track record of providing innovative courses that place us at the forefront of teaching and learning. Our strong research profile means that teaching is constantly kept up-to-date with the latest thinking and technology. You will be taught by acknowledged experts and international leaders and your syllabus will be informed by the very latest knowledge.

Manchester is an international leader in an ‘enquiry based’ approach to teaching. This is where you will follow your own lines of interest and discussion, meaning that you will formulate your own ideas and opinions, as well as drawing on academic expertise. It has been proven that this approach equips you better for leading roles after you have graduated. The curriculum is also becoming more and more cross-disciplinary resulting in you meeting students from other disciplines to explore ideas from alternative perspectives. At The University of Manchester you will be involved in a variety of teaching methods, with e-Learning and lab based work alongside more traditional lectures and seminars.

Assessment

If you are studying with us during the Fall semester only, and your home university’s Spring semester starts in early January, it may be possible for you to be assessed early in some subjects so that you can return home in time for the start of your Spring semester.

The courses marked as AA on the following pages have early/alternative assessment available in circumstances where there is a clash of semester dates. Please note that alternative assessment is not available in semester 2 under any circumstances.

Course Units

Study Abroad students are able to ‘pick and mix’ course units from across disciplines* to construct a programme of academic study that is appropriate for their interests and requirements. Examples (not exhaustive) of course units available across the University are listed in the following pages. For the complete list of course units available and how to find syllabus descriptions for each, please visit: www.manchester.ac.uk/study/international/study-abroad/course-units

Please note that restrictions apply to course units offered in some subject areas and that an appropriate academic background is always required.

* Erasmus+ exchange students are largely restricted to study within the academic Subject Area covered by the exchange agreement.

International standing

The University of Manchester is proud of its teaching and strives to ensure its courses are as up to date and relevant as possible.

This commitment means that the courses listed throughout this Guide provide a guideline only and are subject to change without notice.

The first programmable computer

The Department of Computer Science was formed in 1964, but its history starts in December 1946, when F.C. Williams and Tom Kilburn began to work full-time on devising the first effective random access electronic storage device for use in computers, using a Cathode Ray Tube. During 1947 they produced such a device. To test it Kilburn designed the world’s first stored-program computer, ‘the Baby’, which worked for the first time on 21 June 1948. The School produced such a device. To test it Kilburn designed the world’s first stored-program computer, ‘the Baby’, which worked for the first time on 21 June 1948. The School

FASHION BUSINESS

AND TECHNOLOGY

Example course units (not exhaustive) New Materials for Fashion; Fashion Marketing and Retail; Fashion Function and Aesthetics; Garment Technology; Management and the Apparel Pipeline; Fashion Buying and Merchandising; Garment Production Technology; Brand Management for Fashion; Digital Branding; Fashion Product Development.

GEOGRAPHY AA

Example course units (not exhaustive) Key Ideas in Geography; Introducing Human Geographies; Environmental Processes and Change; The Global System, Dynamic Earth; Geographies of Globalisation, Environmental Pollution, Rivers, Spatial Thinking with GIS; Constructing and Exploring Virtual Worlds; North American Cities - Change and Continuity in the Metropolis; Sustainable Consumption and Production in the Global South; Quaternary Climates and Landscapes; Social Constructions of Health and Disease; Nature, Society and Social Power; Climate Change and Carbon Cycling. Coastal Processes: Sea Level Change and Marine Hazards.

HISTORY AA

Example course units (not exhaustive) Forging a New World: Europe c.1450-1750; Colonial Encounters: Violence, Race and the Making of the Modern World; The Cultural History of Modern War; From Catastrophe to Chaos: Europe in the Aftermath of the Vikings; Imperial Nation: The Making of Modern Britain, 1785-1902; Modern China: from the Opium Wars to the Olympic Games; Capitalism in Historical Perspective: 1700–1913; Making of the Modern Mind: European Intellectual History in a Global Context.

HISTORY OF SCIENCE,

TECHNOLOGY AND MEDICINE AA

Example course units (not exhaustive) Science and the Modern World; Bodies in History; From Frankenstein to the Matrix - Science and Science Fiction; From Cholera to COVID-19 - A Global History of Infectious Diseases; Information Visions - Past, Present and Future; The Crisis of Nature - Issues in Environmental History; Madness and Society; The Nuclear Age - Global Nuclear Threats from Hiroshima to Today; Climate Change and Society. From Sherlock Holmes to CSI - A History of Forensic Medicine; Health, Development and People; The Global Journey Towards Health for All. See: www.chstm.manchester.ac.uk/study/undergraduate for full details.

HUMANITARIAN/CONFLICT

RESPONSE AA

Example course units (not exhaustive) Introduction to Humanitarianism; Introduction to Disaster Management; Introduction to Conflict Analysis; Everyday Peace Building and Security; War, Migration and Health.

LANGUAGES AND

CULTURAL STUDIES AA

Example course units (not exhaustive) ARABIC AND MIDDLE EASTERN STUDIES History and Politics of the Middle East and North Africa; Cultures of the Middle East and North Africa. The History and Sociopolitics of Palestine/Israel (1862 - 1967); Introduction to Islam; Introduction to Post-Colonial Arabic: Literature; Arabic Literature in Translation; Women and Gender in the Middle East and North Africa; Themes in the Histories of Arab and Jewish Nationalisms; The History of Modern Islamic Thought; Media and Business Arabic; Contemporary Debates in Islam. EAST ASIAN STUDIES Introduction to Chinese Studies; The Environment in Chinese Literature and Film; Contemporary Asian Art; The City in Chinese Visual Culture; Introduction to Japanese Studies; Religion in Japan; Bodies, Gender and Sexuality in Modern Japan; Science and Civilisation in Asia.

FRENCH STUDIES

Studying the French Language; French Cinema to 1960; French and Francophone Cinemas; Language and Social Issues; Representing the Holocaust; Protest Music in France; Post-structuralism in Barthes and Derrida.

GERMAN STUDIES

Introduction to German Linguistics; Translating New Writing; The German Language Today; New German Identities; Screening the Holocaust; German Diakets; Representation and Reaction in German Culture; Weimar Culture? Art, Film and Politics in Germany 1918-1933; Culture and Society in Germany, 1871-1918.

International standing

The University attracts world-renowned researchers and teachers and boasts no fewer than 25 Nobel prize winners amongst its current and former staff and students.
MATHS
Example course units (not exhaustive)
- Sets, Number and Functions; Propositional Logic; Linear Algebra; Algebraic Structures; Group Theory; Coding Theory; Hyperbolic Geometry; Sequences and Series; Real Analysis; Metric Spaces; Topology; Calculus and Vectors; Fluid Mechanics; Classical Mechanics; Probability; Random Models; Matrixes with Applications to Finance; Markov Processes; Statistical Methods; Discrete Mathematics; Combinatorics and Graph Theory; Statistical Inference; Numerical Analysis; Fourier Analysis and Lebesgue Integration; Time Series Analysis.

PHYSICS AND ASTRONOMY
Example course units (not exhaustive)
- Classical and Quantum Mechanics Dynamics; Lagrangian Dynamics; Gravitation; Quantum Physics and Relativity; Fundamentals of Quantum Mechanics; Physics and Reality; Symmetries in Physics; Relativistic Quantum Physics; Quantum Field Theory; Gauge Theory.

ENGINEERING
Example course units (not exhaustive)
- Civil Engineering; Manufacturing and Design; Materials Science; Structural Engineering; Materials Science; Aeronautical and Astronautical Engineering; Aerospace Systems; Flight Dynamics; Aircraft Performance and Stability; Aerospace Projects; Aerospace Project Management; Micro and Nano Fabrication; Reliability and Maintenance.

PHILOSOPHY AA
Example course units (not exhaustive)
- Existentialism; 20th Century Analytical Philosophy; Philosophy of Mind; Critical Thinking; Introduction to Ethics; Introduction to Metaphysics and Epistemology.
I had an amazing experience. Although the teaching and examinations differed somewhat from what I am used to, it was surprisingly easy to get the information I needed, as my professors were more than helpful.

Susanne Hansen,
Aalborg University, Denmark

PSYCHOLOGY AA
Example course units (not exhaustive)
Social Psychology; Developmental Psychology; Cognitive Psychology; Perception; Clinical Psychology; Neuropsychology; Psychopathology; Health Psychology; Personality and Individual Differences; Cognitive Neuroscience.

SOCIAL ANTHROPOLOGY AA
Example course units (not exhaustive)
Power and Culture: Inequality in Everyday Life; Cultural Diversity in Global Perspective; Anthropology of Religion; Political and Economic Anthropology; Materiality and Representation; Anthropology of Kinship; Gender and Sex.

SOCIOLOGY AA
Example course units (not exhaustive)
Media, Culture and Society; Work, Economy and Society; Sociology of Personal Life; Gender, Sexuality and Culture; Sociology of Human-Animal Relations; Social Network Analysis; Global Migration; Sociology of Popular Music; New Media; Secrets, Lies and Mass Deception; Education and Society; Social Inequalities in Contemporary Britain.

Examples of some of our course units include:
Are we Alone? The Search for Extraterrestrial Life; Creating a Sustainable World: 21st Century Challenges and the Sustainable Development Goals; AI: Robot Overlord, Replacement or Colleague?; Leadership in Action: Trust and Security in a Digital World; From Fake News to Cybercriminals; Understanding Mental Health; From Cholera to Covid-19: A Global History of Epidemics; The Nuclear Age: Global Nuclear Threats from Hiroshima to Today; Essential Enterprise; Equality, Diversity and Inclusion: Your Role in Shaping a Fairer World.

The University College for Interdisciplinary Learning (UCIL) introduces you to new topics and ways of thinking, tackling the key questions facing society in the 21st century - for example, the digital revolution, globalisation and mental health. Our units equip you with invaluable knowledge and skills which will complement your studies and make you more employable.

UCIL units provide a unique learning experience and are a popular choice for Study Abroad students as they give you the chance to meet and study with students from different degree programmes across the University. All of our units are credit-bearing like any other within your programme. Most units are lecture based but we also have 8 units which are delivered entirely online. Many UCIL units are taught by teams of academics and experts from different disciplines as they look at the subject from an interdisciplinary perspective. The design and assessment of our units make them neither easier nor harder than any other within the University and take into account that you may come from a very different degree background. All of our units are undergraduate level, and we welcome students from all degree disciplines.

Maria Anna Graziuso,
Università degli Studi di Napoli Federico II, Italy

Those five months were the hardest but also the best of my life: they made me grow personally and professionally.

Maria Anna Graziuso,
Università degli Studi di Napoli Federico II, Italy

International standing
The University of Manchester has the UK’s largest alumni community for a campus-based university, and is in contact with more than 222,000 of its former students spread across 200 countries. Alumni include Benedict Cumberbatch (Actor); Louis de Bernières (Author); Andy Duncan (Chief Executive of Channel 4); Ben Elton (Writer and Comedian); Sir Terry Leahy (Chief Executive, Tesco); Rik Mayall (Actor and Comedian); Dr Alan J Wood (Chairman, Siemens); HE George Maxwell Richards (President of the Republic of Trinidad and Tobago).
Manchester was a wonderful place to live in and study – I could get around very easily by bus and therefore see much of the city, and there was a large variety of fascinating classes offered; I truly loved my time there.

Carrie Burgess, Colgate University, USA

The University of Manchester School of Law offers a study abroad pathway aimed specifically at US-based students who wish to spend one or two semesters of their junior or senior year of law school at one of the leading schools in the UK.

The programme is designed for US-based undergraduate students who are studying international relations, economics, business, criminology, or any other related undergraduate subject and are thinking about applying for admission to law school in the US. Unlike the US, law is an undergraduate degree in the UK, and students admitted to the programme will have the opportunity to take the same law courses that students in the UK take as part of their qualifying degree. Many law school courses that do not have a specific pre-requisite in law will be open to students participating in the programme. This includes basic legal courses such as contracts, torts, criminal law, constitutional law and EC law, as well as more advanced legal courses such as jurisprudence, environmental law, law and ethics in war and warfare, law and literature and art, sociology of law, and gender and the law. The programme will give students the opportunity to explore their interest in the law, experience actual law school courses, and better prepare themselves both for law school in the US and the US law school admissions process. Students may also take up to one course per semester offered by another School in the University.

For further details on this Pre-Law pathway, please visit www.manchester.ac.uk/law/ international/study-abroad-programs/pathways/pre-law

LEADERSHIP AND SERVICE PATHWAY

The University of Manchester offers a pathway for students who want more than just academic credit during their time in the UK. Students who are undertaking a year or semester abroad at Manchester can select the ‘Study Abroad plus Leadership and Service’ option, which enables them to engage with British life and society and undertake service learning alongside their academic study.

The taught element of the programme is called Leadership in Action. Leadership in Action units aim to help you understand what it means to be a leader in the 21st century. The units explore complex current problems and ask how does change happen? Who makes it happen? What does that tell us about leadership and how do we do it?

Leadership in Action units provide you with the tools to critically evaluate models and approaches to leadership and to apply those to a range of 21st century problems, such as poverty and inequality; environmental sustainability; ethics and social responsibility.

It provides an insight into the key challenges facing 21st century leaders and the opportunity to engage with leaders and others in the local community. Participants also gain a real insight into, and understanding of, British life and society through undertaking a period of voluntary work with a local community group project.

The Study Abroad plus Leadership and Service Pathway comprises two elements:

1. Up to 50 credits of academic study towards your home university degree
2. The Manchester Leadership Programme, leading to the prestigious Manchester Leadership Award. The MLP is made up of:
   - i. An accredited (10 or 20 credit) ‘Leadership in Action’ unit covering topics such as leadership theories, concepts and practice; poverty and inequality; culture and diversity; environmental sustainability; ethics and social responsibility.
   - ii. Up to 60 hours of accredited volunteering, or service learning – 60 hours in total for the Gold Award 40 hours in total for the Silver Award 20 hours in total for the Bronze Award
For further details on the Manchester Leadership Programme please visit: www.manchester.ac.uk/mlp

SUSTAINABILITY PATHWAY

Sustainability can be defined as ‘development that meets the needs of the present without compromising the ability of future generations to meet their own needs.’ Students opting to follow our Sustainability Pathway can deepen their understanding of the issues and challenges surrounding sustainability at both micro and macro levels.

A number of course units enabling students to learn more about environmental issues are available, including Material Worlds: Geographies of Natural Resources; Sustainable Cities; Cities and Society; Environmental Impact Assessment; Global Climate Change; Environmental Processes and Change; The Global System; Physical Geography and Contemporary Environmental Issues; Protected Landscapes; History of Climate Change; Environmental Challenges; Manchester Sustainable Cities Project; Energy Resources; Climate and Energy.

Students can also get involved in sustainability issues whilst studying at Manchester by engaging with various initiatives such as the Sustainability Challenge, Students’ Union Climate Change Campaign and Going Green Environmental Policy, and the Student Sustainability Forum, which holds monthly meetings in the Student’s Union. You can also join the Students’ Union Bike Group; become an Environmental Representative in your Hall of Residence; become a Green Impact Auditor; become a Green Impact Project Assistant; take part in a Living Lab project; complete the NPT:positive Student Tool; or join the Students’ Union Social Responsibility Group.

Sustainability is increasingly at the heart of many of The University of Manchester’s top-flight research groups. We are home to the UK’s largest single campus-based community of researchers with interests in sustainability and the environment, and research groups such as the Tyndall Centre for Climate Change Research, the Joule Centre for Energy Research, the Centre for Urban Regional Ecology, the Sustainable Consumption Institute and the Brooks World Poverty Institute are committed to ongoing research into sustainability issues.

Students also undertaking the Leadership and Service Pathway (pathways are not mutually exclusive) can get involved with local environmental and conservation projects as part of their community engagement activity.

**Specialist pathways**

We have a number of specialist pathways, available to both Study Abroad fee-paying and Exchange students. These pathways are designed to equip students with specific skills in a range of areas.

**ENGLISH LANGUAGE PATHWAY**

This pathway is for students whose first language is not English, and is particularly popular with students from Japan, China and Korea. This pathway provides a period of English language study before your main year/semester academic programme.

You undertake a 6 or 10 week period of non-credit bearing English language study prior to undertaking your main academic programme. The course enables you to develop your academic listening, speaking, reading and writing skills.

The Pathway is a particularly suitable option for students whose current English language score is only marginally below the University’s English language score for standard study abroad tuition fee for either the full year or one semester of academic course units.

You can undertake a full year of academic course units (plus an additional 6 or 10 weeks), or a single semester of academic course units (plus an additional 6 or 10 weeks). You pay the standard study abroad tuition fee for either the full year or one semester (few waived for Exchange students), PLUS an additional fee for the 6 or 10 week English language study (all students pay this fee). Details of the additional fees can be found here: www.units.manchester.ac.uk/english/full-time/pre-sessional

The language study component is carried out in the University Language Centre (ULC) at The University of Manchester. Students must complete an additional separate application form for the language study.

Please note that the English Language Pathway is only available to students whose period of academic study will start in semester 1 (September).

**PRE-LAW PATHWAY**

Interested in applying to a US Law School for Graduate study?

The University of Manchester School of Law offers a study abroad pathway aimed specifically at US-based students who wish to spend one or two semesters of their junior or senior year of law school at one of the leading schools in the UK.

The taught element of the programme is called Leadership in Action. Leadership in Action units aim to help you understand what it means to be a leader in the 21st century. The units explore complex current problems and ask how does change happen? Who makes it happen? What does that tell us about leadership and how do we do it?

Leadership in Action units provide you with the tools to critically evaluate models and approaches to leadership and to apply those to a range of 21st century problems, such as poverty and inequality; environmental sustainability; ethics and social responsibility.

It provides an insight into the key challenges facing 21st century leaders and the opportunity to engage with leaders and others in the local community. Participants also gain a real insight into, and understanding of, British life and society through undertaking a period of voluntary work with a local community group project.

The Study Abroad plus Leadership and Service Pathway comprises two elements:

Students also undertaking the Leadership and Service Pathway (pathways are not mutually exclusive) can get involved with local environmental and conservation projects as part of their community engagement activity.

**Global Pathways**

Global Pathways allow you to explore different countries, cultures and traditions through paid or voluntary placements, internships, or study abroad. You can choose to study in a different language or major, immerse yourself in a new social environment, or develop new skills and perspectives. Global Pathways are available to undergraduate students in a range of disciplines, including business, engineering, arts, sciences, and humanities.

**Pathway Options**

- **International Pathway**
  - Students have the opportunity to study abroad for one or two semesters, gaining credits that count towards their degree.
  - Tuition fees may be covered by your home university or a scholarship program.
  - Language of instruction may vary depending on the country.

- **Service Learning Pathway**
  - Students earn academic credit while participating in community service projects.
  - Projects may focus on environmental sustainability, poverty reduction, or other social issues.
  - Students may also have the opportunity to engage in leadership development activities.

**How to Apply**

- Check eligibility requirements for each pathway.
- Contact your home institution’s study abroad office for application instructions.
- Prepare for the application process by researching cultural differences, transportation options, and visa requirements.

**Resources**

- Visit www.manchester.ac.uk/study/ international/study-abroad-programmes/ pathways/pre-law
- Explore the University Language Centre (ULC) for assistance with English language study.
- Connect with alumni or current students for insights into global pathways.

Interested in summer study?

The University of Manchester currently offers a number of Summer Schools for students who are looking for a short period of study abroad. Please note that each Summer School has its own independent application forms and procedures, and students should NOT complete the standard study abroad application form for any of these courses. Please visit the websites indicated for details of how to apply. Note that fees will always apply for these Summer Schools, including for Exchange Students.

ENGLISH LANGUAGE SUMMER PROGRAMME

This intensive general English course is designed for students who wish to visit the North of England, improve their English Language proficiency and have the opportunity to meet other students from around the world. The programme includes 37 hours of core English Language study each week, plus 6 hours of Integrated Skills with British Culture. Students will have access to a lively social programme provided by Manchester’s International Society. The minimum possible study length is 3 weeks, with a maximum of 10 weeks available.

For further details, application forms and fees, please visit: www.manchester.ac.uk/englishsummerprogramme

MANCHESTER INTERNATIONAL SUMMER SCHOOL (MISS)

MISS is your chance to explore and understand Manchester’s significance as a world-historical city. Do you want to know how industrialisation changed everything – from how we work and where we live, to what we do in our leisure time? Are you interested in the role played by Manchester and Liverpool in the development of British popular music? How football developed from a leisure pursuit to a multi-billion pound industry? How what happened in Manchester impacted on the Bronte sisters in Haworth? How the inhabitants of the ‘real’ Dormont Abbey coped with these changes? You can find answers to these questions through this three-week long course.

CREATIVE MANCHESTER SUMMER SCHOOLS

Immerse yourself in British culture and discover Manchester and its region while enriching your knowledge and developing your skills. Our four unique programmes, varying between one and three weeks, embody the culture and creative spirit of Manchester, using the resources of The University and the city itself.

- Creative Writing Summer School
- Creative Producing Summer School
- Origins of Creativity Summer School
- World Cinema Summer School

Teaching will be a blend of class lectures, seminars, workshops and field trips with the opportunity to access the University’s cultural institutions: Manchester Museum, Whitworth Art Gallery, John Rylands Library and Jodrell Bank Observatory Heritage Centre.

For further information, please visit: www.manchester.ac.uk/study/shortcourses

ACADEMIC STANDING

We normally require at least a B average (or a minimum 3.0 cumulative Grade Point Average on a 4.0 scale). This average should be maintained during the period of study immediately preceding the semester/year at The University of Manchester. You must be able to evidence at least two complete semesters of study on your academic transcript at the time of application.

ENGLISH LANGUAGE PROFICIENCY

Worldwide Exchange and Fee-Paying Study Abroad Students

If English is not your first language, you will need to provide evidence of your English language proficiency. For most international students who have not achieved a grade C or above in GCSE, IGCSE or O-Level English, you will be required to demonstrate English proficiency through an approved testing system such as IELTS, TOEFL or Cambridge ESOL. These are internationally-recognised assessments of English language proficiency, designed to determine the ability of non-native speakers of English who intend to study or train in English.

As a general rule, applicants must have a minimum IELTS score of 5.0 overall, with no less than 5.5 in any component. However, many individual subject areas have higher requirements than this, and students must meet the subject area requirements for whichever course until they wish to take. Please see our website for further information and for the minimum acceptable levels for admission to the Study Abroad Programme.

AMAZING. Best 5 months of my life. I made so many close friends, went to great parties, learnt a lot about myself and what I am capable of (and of course learnt some new things in class). So much fun, I am devastated I had to return home!

Grace Cliffe, Australia

Entry requirements

All applicants must be registered and be in good academic standing at their home university/college. You should check with your home university as to whether they also have any requirements that you have to meet in order to be eligible to study abroad.

Please note that IELTS and TOEFL scores only remain valid for two years. If you are applying, with a certificate which was achieved over two years before your application, then you will need to retake the test.

Erasmus+ Students

Whilst we expect Erasmus+ students to be proficient in English to the levels specified on our website, we do not require Erasmus+ students to provide certification of their English Language proficiency as part of our admission process (please note however that evidence may be required for immigration purposes).

ENGLISH LANGUAGE SUPPORT

Whilst we do require all non-native English speakers to meet our standard entry requirements, we are keen to support students whose first language is not English. Our Academic Success Programme offers workshops in academic writing, grammar and speaking, free of charge for all students. We encourage non-native speakers to attend the workshops to help you succeed in your studies. We have over 30 years experience of running non-native English courses. These courses are accredited by the British Council.

We also offer a range of credit-bearing courses for non-native English speakers - examples of the courses available are:

- English Language in Use
- Advanced English Language in Use
- English for Academic Purposes

www.manchester.ac.uk/academicsuccessprogramme

BIOLOGY/HEALTH SUMMER SCHOOLS

The Faculty of Biology, Medicine and Health offers various Summer Schools for international students. Each is 4 weeks in duration during July/August.

Biosciences - www.bmh.manchester.ac.uk/summerschools/biosciences

Epidemiology - www.bmh.manchester.ac.uk/summerschools/epidemiology

Nursing - www.bmh.manchester.ac.uk/summerschools/nursing

Pharmacy - www.bmh.manchester.ac.uk/summerschools/pharmacy

Science Communication - www.bmh.manchester.ac.uk/summerschools/science-communication

Students will attend science frontiers seminars from world-leading experts and, depending on the course, perform experiments in our well-equipped laboratories. In addition to the academic programme, there will be plenty of opportunities for social activities.

EUROPEAN BUSINESS SUMMER STUDY PROGRAMME

This five-week long programme helps students understand the European political, economic and social environment, and is designed for business, management, law and international relations students who wish to work in international management. It is taught in the UK, France, Spain and the Czech Republic, and helps students understand business activities, firms and structures within the EU and Eastern Europe through a combination of teaching, coursework, and company visits and practitioner input.

For further details, application forms and costs, please visit: www.mbs.ac.uk/executive-education/programmes/core-programmes/leadership/european-summer.aspx

AMAZING. Best 5 months of my life. I made so many close friends, went to great parties, learnt a lot about myself and what I am capable of (and of course learnt some new things in class). So much fun, I am devastated I had to return home!

...
How to apply

If you are applying as a Study Abroad fee-paying student, you can apply in one of three ways:

• Direct to the International Programmes Office at The University of Manchester
• Through the Study Abroad Office of your home university (this may be a requirement in order to facilitate the transfer of credit for courses undertaken abroad)
• Through the College of Global Studies at Arcadia University (www.arcadia.edu/abroad) or Study Abroad Foundation (www.studyabroadfoundation.org) (students from Asian universities only).

If you are applying as an Exchange Student (either non-EU or Erasmus+) from a University of Manchester exchange partner, then your application process should be conducted through your home university. Study Abroad Office or Office of International Programs.

Applications should be made using the online application system found at our website here: www.manchester.ac.uk/study/international/study-abroad-programmes

As part of the application process, you will need to upload copies of documents including:

• Your most recent academic transcript
• An academic reference (not required from Exchange students)
• ID page from your passport
• Evidence of English Language proficiency (if English is not your first language - not required from Erasmus+ applicants, except those who are non-EU nationals applying for a Tier 4 Visa)
• Personal Statement (instructions at our website)

Other required documentation is listed at our website.

Application for housing is a separate online process, and should be made via the Accommodation Office website here: www.accommodation.manchester.ac.uk/

Applications are processed in the order in which they are received. We therefore encourage early application, particularly for course units in subjects such as English, History and Politics, which fill up very quickly.

Application deadlines

The deadlines for the receipt of applications depend on the period of study for which you are applying:

<table>
<thead>
<tr>
<th>Period</th>
<th>Deadline</th>
</tr>
</thead>
<tbody>
<tr>
<td>Full Academic Year (September - June)</td>
<td>1 June</td>
</tr>
<tr>
<td>Autumn Semester (September - January)</td>
<td>1 June</td>
</tr>
<tr>
<td>Spring Semester (January - June)</td>
<td>1 November</td>
</tr>
</tbody>
</table>

Choosing your course units

1. Visit the International Programmes Office website and select the link to course units: www.manchester.ac.uk/study/international/study-abroad-programmes

2. Click on the subject area(s) in which you are interested to see a list of specific course units taught. Each course unit has a code which indicates the level of the course and the time period during which it is offered.

EX ample course unit code

ENGL 20502 The Victorian Novel

The initial number indicates the level of the course.

1  First Year course unit
2  Second Year course unit
3  Third Year course unit
4  Fourth Year course unit

20502 The initial number indicates the time period in which the course is offered.

1  Semester one (Autumn / Fall)
2  Semester two (Spring)
0  Full year

ENGL 20502 is a second year course unit taught in the Spring semester.

Please note that some course units in Engineering and Physical Sciences may have slightly different course codes. Please contact us if you require clarification.

3. Click on the course unit to view more detailed information such as course content, credit value, assessment and preliminary reading. If the course unit information is insufficient for you and your advisers to determine whether the course will meet your academic needs, then contact the International Programmes Office for help.

4. You will need to select a full course load: 60 Manchester credits per semester; 120 Manchester credits for the academic year. You can, however, list up to two additional course units on your application to allow for timetable clashes.

After completing your initial application, you will be sent instructions about how to submit your chosen course units via an online portal.

It is important to discuss your course choices with your academic adviser at your home university to ensure that the courses that you take whilst you study at The University of Manchester are approved for credit transfer.

CREDIT EQUIVALENC E

As a guide, the following translation of Manchester credits can be used, and as a general rule, 1 UK credit equates to 10 hours of work.

<table>
<thead>

</table>

*European Credit Transfer System
Manchester has little of the crowded loneliness or impersonality of London and its sons and daughters are a proud and friendly people – traits which rub off on its students.

The Push Guide to Which University

Whether you are interested in Basketball, Dance, Film, Hiking, Swimming, Ice Skating, Jazz, Soccer, Photography, Tai Chi, Rowing or Tennis, there are clubs to suit!

The Times Good University Guide said:

Sports facilities, which were already first rate, have improved still further since the city hosted the Commonwealth Games.

Cost of living

Living costs in Manchester are similar to other major UK cities such as Birmingham and Nottingham, and are lower than in London. Manchester has approximately 80,000 students, the largest total outside of the capital, and shops, businesses and restaurants are all used to catering for students on a tight budget. You can get student discounts on almost everything, from travel and computers to movies and clothes.

<table>
<thead>
<tr>
<th>ESTIMATED LIVING EXPENSES FOR 2021/22 SESSION*</th>
<th>ACADEMIC YEAR</th>
<th>SEMESTER</th>
</tr>
</thead>
<tbody>
<tr>
<td>ACCOMMODATION (average cost for self-catering halls)</td>
<td>£5,780**</td>

* Please note this table is based on estimates and actual costs will depend on your lifestyle.
** The University of Manchester self-catered accommodation can range in price from £4,460 to £6,895 a year.

Semester dates 2022-23

The University of Manchester operates on a two-semester basis. Semester 1 runs from mid-September to late January, and Semester 2 from late January to early June. Exact dates for the 2022-23 academic year are yet to be confirmed. Finalised dates will be published at the following website: www.manchester.ac.uk/discover/key-dates

Note that students are asked to arrive in advance of the semester start dates which are published to participate in a Welcome/Orientation programme. Exact arrival dates will be stated in your offer letter.
