

# WIDENING PARTICIPATION SUMMER SCHOOLS

## FUNDING IS AVAILABLE TO SUPPORT YOUR STUDY ABROAD EXPERIENCE

Gain  
experience  
travelling  
and living  
abroad

Explore new  
subjects and  
develop your

skills

Study in a  
beautiful  
and unique  
location

It may seem that studying abroad is unaffordable, but there is funding available to support your travels. If your household income is under £35,000 a year, you can have access to financial support that can cover costs such as tuition fees, travel and living expenses.

This opportunity is open to any undergraduate student with a grade average of 50% or above (or 60% for Aarhus)
