MSc Dissertation (60 credits):		
BMAN61082 MSc Dissertation in Operations and Supply Chain Management*		

* Required for CIPS accreditation along with a dissertation which must be on a procurement or supply related theme.

Students are entitled to take one elective over the year from another MSc provided by Alliance Manchester Business School, as long as a 200 word explanation is provided and the consent of the unit coordinator and the programme director is obtained. This is by arrangement, and subject to timetabling and student's background.

To enable learners to apply for MCIPS the following conditions apply to this CIPS Accreditation Statement and must be met in full:

- At least one of the following elective modules must be taken (depending on availability in any one academic year)
 - o BMAN 73672 Supply Chain Logistics Management
 - o BMAN 70292 Global Supply Chain Management: Theories and Practice
 - o BMAN 73692 Sustainable Supply Chain Management

- The following modules must be focused on a **procurement and/or supply chain** topic
 - o BMAN 70120 Professional Skills: Research and Evaluation Methods
 - o BMAN 61082 Dissertation in Operations and Supply Chain Management

- All modules must be passed with no condonements or compensations

Documentary evidence (i.e. transcript and certificate) supporting the above conditions must be provided to CIPS.
