

The University of Manchester

DEGREE CELEBRATIONS

Faculty of Biology, Medicine and Health

Class of 2020

Congratulations from the President and Vice-Chancellor

I am delighted to welcome graduates, family members and friends to The University of Manchester for this degree congregation. This is a time of celebration and a chance to come together to mark the achievements of our graduates. Graduation in any year is a special occasion, and even more so for all of our students who have been impacted so greatly by COVID-19. I hope you all enjoy this special day.

As you, our graduates, take the stage, the University shares with you a great sense of pride in the award you have worked so hard to achieve, during the most difficult of times. This celebration may be delayed, but it is no less meaningful, and I am delighted to welcome you back on campus to mark the occasion as you deserve.

Now is the time to look ahead; I encourage you to take charge of your future, find your voice and form your own opinions. You have faced and overcome challenges not known in our generations, giving you the skills, knowledge and experience to succeed in the face of adversity.

As you celebrate with us today, know that you are ready to take on your next challenge with confidence and share and apply your learnings to make the world a better place for us all.

You are now part of a worldwide network of more than 500,000 alumni – I hope that the links between you and our institution will grow stronger as you become an active member of one of the world's largest global alumni communities.

We are immensely proud of our Class of 2020. I wish you every success for the future and hope you have a truly memorable day.

Professor Dame Nancy Rothwell

To our Class of 2020, a warm congratulations on the conferment of your degree from myself and the whole Faculty.

A message from the Vice-President and Dean of the Faculty of Biology, Medicine and Health

It's a great pleasure to celebrate in person with you, our graduates, and your family, friends and supporters after so long. You have overcome significant challenges to reach this point; your graduation ceremony is all the more special for it.

The past few years have been truly unprecedented and tested us all in many ways, but you have responded with patience, resilience, and support for one another.

Our Faculty has played an important role in responding to the pandemic, from frontline support to laboratory research and discovery. I speak on behalf of all my colleagues when I say that these achievements are a source of genuine pride and a reflection of the talented, caring community to which we all belong.

As we look ahead, we can see that there has never been a greater need for our graduates of Biology, Medicine and Healthcare disciplines. The skills and knowledge that you developed at Manchester and since you graduated are highly sought after by employers who will rely on you to help solve some of the world's greatest challenges. Whatever you go on to do, I am confident that you will continue to achieve great things.

I encourage you to stay in touch through our alumni networks and visit us here in Manchester. Until then, I wish you every success for the future.

Professor Graham Lord

The Affirmation Pharmacy

(new graduates in Pharmacy – please stand.)

"I affirm that I will:

- make the care of my patients my first concern;
- treat every patient politely and considerately;
- respect patients' dignity and privacy;
- listen to patients and respect their views;
- give patients information in a way they can understand;
- respect the right of patients to be fully involved in decisions about their care;
- keep my professional knowledge and skills up to date;
- recognise the limits of my professional competence;
- be honest and trustworthy;
- respect and protect confidential information;
- make sure my personal beliefs do not prejudice my patients' care;
- act quickly to protect my patients from risk if I have good reason to believe that I or a colleague may not be fit to practise;
- avoid abuse of my position as a pharmacist;
- work with colleagues in the ways that best serve patients' interests.

In all these matters I will never discriminate unfairly against my patients or colleagues. I will always be prepared to justify my actions to them."

Graduates reply: "I so affirm".

(graduates sit.)

The Affirmation Bachelor of Medicine Bachelor of Surgery Nursing and Midwifery

(new graduates in Bachelor of Medicine, Bachelor of Surgery and in Nursing and Midwifery please stand)

"I affirm that I will:

- make the care of patients my first concern;

Stay connected

Congratulations, Class of 2020!

Welcome to your global alumni community. We're here to help you preserve a lifelong connection with the University, the city of Manchester and each other. We invite you to continue friendships, share experiences and inspire those who follow in your footsteps.

You're part of an alumni community of more than 500,000 graduates worldwide – the largest of any campus-based university in the UK. We can help you connect with other graduates around the world to network and progress your career at every stage.

Update your personal details so we can stay in touch and continue to support you.

We can't wait to see what you do next.

Discover more at:

 uom.link/alumni

 [@AlumniUoM](https://twitter.com/AlumniUoM)

 [@alumniuom](https://facebook.com/alumniuom)

 [@alumniuom](https://instagram.com/alumniuom)

Shape your future

It may have been a while since you left us, but as a graduate of Manchester you can continue to use our Careers Service for up to two years after you completed your course. Here are five things you can do within this period to prepare for your future. To find out more about eligibility, please see: uom.link/eligibility

1

Graduate careers support

As a Manchester graduate, you can continue to benefit from our support and resources, including careers guidance, interview practice and application advice.

uom.link/graduatecareer

2

Register on CareerConnect

Use CareerConnect to search for graduate opportunities, appointments and events. Once your student account stops working, you can register for an alumni account.

uom.link/careerconnect

3

Get application ready

No matter what stage you're at in your career, use our learning and support pathways to help you with CVs, cover letters and applications for jobs or further study.

uom.link/pathways

4

Join LinkedIn

Join The University of Manchester Graduate Careers Network to find out more about ongoing careers support, opportunities and special events for Manchester graduates.

uom.link/linkedin

5

Consider further study or research

If you're interested in pursuing postgraduate study or research, we can help you consider your options and apply for programmes.

uom.link/pgstudy

**GRADUATE
OUTCOMES**

An agency will contact you on our behalf to invite you to complete the Graduate Outcomes Survey. Your response will help us find out what you're doing after graduation, allow us to celebrate your success, and will inspire future generations of Manchester graduates.

www.graduateoutcomes.ac.uk

#UoMGraduation

During the course of this event no alarm test or emergency evacuation practice has been planned. Therefore, if the alarm, which is a single stage alarm, is activated it should be treated as a potential incident requiring evacuation.

Attendees are asked to remain calm and seated and follow the instructions given by stewarding staff.

The Assembly point is on the front quadrangle, which is adjacent to the Whitworth Hall in front of the John Owens Building.
