Automotive Transformation Fund: Expression of Interest

Primary funder name: Innovate UK

Closing date: 01 Mar 23

Award type: Industry or Business Funding, Research: Project Grants & Innovation

Award amount max: -

Summary text: The Automotive Transformation Fund (ATF) is an Advanced Propulsion Centre (APC) programme that aims to establish a competitive and sustainable UK supply chain.

Website: <https://apply-for-innovation-funding.service.gov.uk/competition/1469/overview/4676d95d-42c8-411b-80d2-5eb23a726949>

Biomedical catalyst - industry-led R&D

Primary funder name: Innovate UK

Closing date: 01 Mar 23

Award type: Industry or Business Funding, Research: Project Grants & Innovation

Award amount max: GBP 2,000,000.00

Summary text: These enable companies to develop innovative products, technologies and processes that is a solution to a health and healthcare challenge. The total budget is £25 million.

Website: <https://apply-for-innovation-funding.service.gov.uk/competition/1427/overview/08a0b0b3-bd08-4226-836f-57b25f459621>

Establish a centre for doctoral training plus in behavioural research

Primary funder name: Economic and Social Research Council (ESRC)

Closing date: 02 Mar 23

Award type: Research: Project Grants & Innovation

Award amount max: -

Summary text: This supports the development a national capability centre for behavioural research over the next four to six years. The full economic cost of your centre can be up to £7.17 million.

Website: <https://www.ukri.org/opportunity/establish-a-centre-for-doctoral-training-plus-in-behavioural-research/>

Proof of concept awards

Primary funder name: Science and Technology Facilities Council (STFC)

Closing date: 04 Mar 23 (Forecast)

Award type: Research: Project Grants & Innovation

Award amount max: GBP 40,000.00

Summary text: These support innovative projects that either build on the previous work undertaken by the SAQN scoping studies or that pursue new research applying STFC capabilities to address air quality challenges. Awards are worth up to £40,000 for up to one year.

Website: <https://www.saqn.org/funding/proof-of-concept-awards/>

Industrial and Summer Placements

Primary funder name: Science and Technology Facilities Council (STFC)

Closing date: 05 Mar 23

Award type: Scholarships, Training or Bursaries

Award amount max: GBP 16,215.00

Summary text: Student life is great, but taking time out to gain experience of the workplace can be both a rewarding and invaluable experience as you choose your path ahead. STFC can offer you the opportunity to make a difference from day one. Everything we do has an impact globally and our Industrial and Summer...

HORIZON-CL4-2023-TWIN-TRANSITION-01 - Twin green and digital transition 2023 two stage

Primary funder name: Horizon Europe: Global Challenges and European Industrial Competitiveness

Closing date: 07 Mar 23

Award type: Research: Project Grants & Innovation

Award amount max: EUR 6,000,000.00

Summary text: This supports projects that set out a credible pathway to the objective of global leadership in clean, climate-neutral and resilient industrial value chains, circular economy and climate-neutral and human-centric digital systems and infrastructures. The budget is €12 million. Grants are worth up to €6m each.

Website: <https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/opportunities/topic-search;callCode=null;freeTextSearchKeyword=HORIZON-CL4-2023-TWIN-TRANSITION-01;matchWholeText=true;sortQuery=sortStatus;orderBy=asc;onlyTenders=false;topicListKey=topicSearchTablePageState>

Centres for doctoral training

Primary funder name: Engineering and Physical Sciences Research Council (EPSRC)

Closing date: 07 Mar 23

Award type: Institutional, Program or Curriculum Development

Award amount max: -

Summary text: This supports CDTs to deliver high quality, cohort-based doctoral education, with a focus on a high value student experience promoting their long-term career development, wellbeing and preparation to follow a diversity of career paths.

Website: <https://www.ukri.org/opportunity/epsrc-centres-for-doctoral-training/>

[HORIZON-EIC-2023-PATHFINDEROPEN-01 - EIC pathfinder open call](#)

Primary funder name: Horizon Europe: Innovative Europe

Closing date: 07 Mar 23

Award type: Research: Project Grants & Innovation

Award amount max: EUR 3,000,000.00

Summary text: This supports early-stage development of new technology, with potential to create new market or to address global challenges. Grants are worth up to €3 million each.

Website: https://eic.ec.europa.eu/eic-funding-opportunities/eic-pathfinder_en

[AMR diagnostics and surveillance](#)

Primary funder name: Joint Programming Initiative on Antimicrobial Resistance (JPIAMR)

Closing date: 07 Mar 23

Award type: Collaboration Opportunities & Networking, Research: Project Grants & Innovation

Award amount max: -

Summary text: Through this call, the ERA-NET JPIAMR-ACTION intends to create and reinforce the collaboration between research partners coming from different countries and different fields of expertise to promote research on antimicrobial resistance. Funding is granted for up to three years.

Website: <https://www.jpiamr.eu/calls/diagnostics-surveillance-call-2023/>

[HORIZON-CL4-2023-RESILIENCE-01 - Resilient value chains 2023 two stage](#)

Primary funder name: Horizon Europe: Global Challenges and European Industrial Competitiveness

Closing date: 07 Mar 23

Award type: Research: Project Grants & Innovation

Award amount max: EUR 8,000,000.00

Summary text: This supports projects that set out a credible pathway to contributing to the objective of industrial leadership and increased autonomy in key strategic value chains with security of supply in raw materials. The budget is €124 million. Grants are worth up to €8m each.

Website: <https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/opportunities/topic-search;callCode=null;freeTextSearchKeyword=HORIZON-CL4-2023-RESILIENCE->

Public health intervention development (PHIND) scheme

Primary funder name: Medical Research Council (MRC)

Closing date: 08 Mar 23

Award type: Research: Project Grants & Innovation

Award amount max: GBP 150,000.00

Summary text: This supports the early-stage development of interventions that seek to address either UK or global public health challenges. Awards are worth up to £150,000 for up to 18 months.

Website: <https://www.ukri.org/opportunity/public-health-intervention-development/>

Future data services senior strategic fellowship

Primary funder name: Economic and Social Research Council (ESRC)

Closing date: 08 Mar 23 (Forecast)

Award type: Fellowships or Post-doctoral Awards

Award amount max: GBP 210,000.00

Summary text: This supports a researcher in the area of social science data services in helping to manage and support the future data services programme, including leading a strategic review of the data services landscape. The full economic cost of the fellowship is worth up to £262,500.

Website: <https://www.ukri.org/opportunity/future-data-services-senior-strategic-fellowship-2022/>

Postdoctoral fellowship programme

Primary funder name: Royal Society

Closing date: 08 Mar 23

Award type: Fellowships or Post-doctoral Awards

Award amount max: -

Summary text: This enables young postdoctoral researchers from the UK to conduct cooperative research with research groups in universities and other Japanese institutions. Fellowships are tenable for one to two years.

Website: <https://royalsociety.org/grants-schemes-awards/grants/jsps-postdoctoral/>

Future data services - strategic fellowship

Primary funder name: Economic and Social Research Council (ESRC)

Closing date: 08 Mar 23 (Forecast)

Award type: Research: Project Grants & Innovation

Award amount max: GBP 120,000.00

Summary text: This supports researchers to carry out stakeholder engagement and evidence-gathering activities within the future data services programme. The fellowship will last for two years.

Website: <https://www.ukri.org/opportunity/future-data-services-strategic-fellowship-2022/>

International exchanges scheme - standard programme

Primary funder name: Royal Society

Closing date: 08 Mar 23

Award type: Collaboration Opportunities & Networking, Research: Project Grants & Innovation, Travel

Award amount max: GBP 12,000.00

Summary text: This supports scientists based in the UK who want to stimulate collaborations with leading scientists overseas. Grants are worth up to £12,000 each.

Website: <http://royalsociety.org/grants/schemes/international-exchanges/>

International Exchanges Scheme: Royal Society - Yusuf and Farida Hamied Foundation International Exchanges Award

Primary funder name: Royal Society

Closing date: 08 Mar 23

Award type: Collaboration Opportunities & Networking, Research: Project Grants & Innovation, Travel, Visiting Personnel

Award amount max: GBP 12,000.00

Summary text: This supports scientists based in the UK who want to stimulate collaborations with leading scientists overseas through either a one-off visit or bilateral travel. Applicants are permitted to apply for up to £12,000.

Website: <https://royalsociety.org/grants-schemes-awards/grants/international-exchanges/>

Partner with researchers in Switzerland

Primary funder name: Biotechnology and Biological Sciences Research Council (BBSRC)

Closing date: 08 Mar 23 (Forecast)

Award type: Collaboration Opportunities & Networking, Travel

Award amount max: GBP 25,000.00

Summary text: These support the development of new and existing partnerships between researchers in the UK and Switzerland. Grants are worth up to £25,000.

Website: <https://www.ukri.org/opportunity/partner-with-researchers-in-switzerland/>

Research for patient benefit programme, round 50

Primary funder name: National Institute for Health Research (NIHR)

Closing date: 08 Mar 23

Award type: Research: Project Grants & Innovation

Award amount max: GBP 350,000.00

Summary text: This supports research concerned with the day-to-day practice of health service staff that has the potential to have an impact on the health or wellbeing of patients and users of the NHS. Grants are worth up to £350,000 each for a maximum of three years.

Website: <https://www.nihr.ac.uk/funding/research-for-patient-benefit-competition-50/31928>

International exchanges scheme - Italy cost-share programme

Primary funder name: Royal Society

Closing date: 08 Mar 23

Award type: Collaboration Opportunities & Networking, Research: Project Grants & Innovation, Travel

Award amount max: GBP 12,000.00

Summary text: This stimulates new collaborations within the natural sciences between scientists in the UK and Italy. The Royal Society provides up to £12,000 over two years for the UK team's airfare overseas and subsistence whilst abroad, including a maximum of £3,000 for eligible research expenses.

Website: <http://royalsociety.org/grants/schemes/international-exchanges/>

Automotive Transformation Fund - feasibility studies

Primary funder name: Innovate UK

Closing date: 09 Mar 23 (Forecast)

Award type: Industry or Business Funding, Research: Project Grants & Innovation

Award amount max: GBP 700,000.00

Summary text: This supports the industrialisation at scale of a high-value electrified automotive supply chain in the UK. Projects may have total budgets of up to £1 million, with funding covering up to 70 per cent of eligible costs.

Website: <https://apply-for-innovation-funding.service.gov.uk/competition/1094/overview#summary>

Small business research initiative - open digital solutions for net zero energy

Primary funder name: Innovate UK

Closing date: 09 Mar 23 (Forecast)

Award type: Research: Project Grants & Innovation

Award amount max: GBP 300,000.00

Summary text: This supports the development of open solutions to accelerate decarbonisation of energy in the UK. Grants are worth up to £300,000 for up to nine months.

Website: <https://apply-for-innovation-funding.service.gov.uk/competition/1078/overview#summary>

Starter grants for clinical lecturers

Primary funder name: Academy of Medical Sciences

Closing date: 10 Mar 23

Award type: Research: Project Grants & Innovation

Award amount max: GBP 30,000.00

Summary text: These enable research-active clinical lecturers to gather data in order to develop and strengthen their research careers and bid for longer-term fellowships and funding. Grants are worth up to £30,000 each over one or two years.

Website: <https://acmedsci.ac.uk/grants-and-schemes/grant-schemes/starter-grants>

EIT RawMaterials - start-up and SME booster call

Primary funder name: European Institute of Innovation and Technology (EIT)

Closing date: 13 Mar 23

Award type: Industry or Business Funding, Research: Project Grants & Innovation

Award amount max: EUR 200,000.00

Summary text: This aims to provide established start-ups with support to speed up a technology challenge resulting in a higher TRL, bringing the technology

closer to the market and to accelerate market introduction by taking key measures to enable solid entry of a target market.

Website: <https://eitrawmaterials.eu/booster-call/>

HORIZON-CL2-2023-TRANSFORMATIONS-01 - inclusiveness in times of change

Primary funder name: Horizon Europe: Global Challenges and European Industrial Competitiveness

Closing date: 14 Mar 23

Award type: Research: Project Grants & Innovation

Award amount max: EUR 3,000,000.00

Summary text: This supports proposals that set out a credible pathway to contributing to social and economic resilience and sustainability through a better understanding of the social, ethical, political and economic impacts of drivers of change and inclusive growth through evidence-based policies for protecting and enhancing employment, education, social fairness and tackling inequalities. The budget is €80 million. Grants are worth up to €3m each.

Website: <https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/opportunities/topic-search;callCode=null;freeTextSearchKeyword=HORIZON-CL2-2023-TRANSFORMATIONS-01;matchWholeText=true;sortQuery=sortStatus;orderBy=asc;onlyTenders=false;topicListKey=topicSearchTablePageState>

Oliver Bird fund for research into musculoskeletal conditions

Primary funder name: Nuffield Foundation

Closing date: 14 Mar 23 (Forecast)

Award type: Research: Project Grants & Innovation

Award amount max: GBP 300,000.00

Summary text: This supports projects focused explicitly on the links between musculoskeletal conditions and economic and social well-being. Grants are usually worth between £50,000 and £300,000 each for projects to last between six months and three years.

Website: <https://www.nuffieldfoundation.org/funding/oliver-bird-fund>

HORIZON-CL2-2023-DEMOCRACY-01 - standing up for democracy

Primary funder name: Horizon Europe: Global Challenges and European Industrial Competitiveness

Closing date: 14 Mar 23

Award type: Research: Project Grants & Innovation

Award amount max: EUR 6,000,000.00

Summary text: This supports proposals that set out a credible pathway to contributing to the reinvigoration of democratic governance by improving the accountability, transparency, effectiveness and trustworthiness of rule-of-law based institutions and policies and through the expansion of active and inclusive citizenship empowered by the safeguarding of fundamental rights. The budget is €75 million. Grants are worth up to €6m each.

Website: <https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/opportunities/topic-search;callCode=null;freeTextSearchKeyword=HORIZON-CL2-2023-DEMOCRACY-01;matchWholeText=true;sortQuery=sortStatus;orderBy=asc;onlyTenders=false;topicListKey=topicSearchTablePageState>

HORIZON-CL2-2023-HERITAGE-01 - research and innovation on cultural heritage and CCIs

Primary funder name: Horizon Europe: Global Challenges and European Industrial Competitiveness

Closing date: 14 Mar 23

Award type: Research: Project Grants & Innovation

Award amount max: EUR 4,000,000.00

Summary text: This supports proposals that set out a credible pathway to reach the full potential of cultural heritage, arts and cultural and creative sectors as a driver of sustainable innovation and achieve a European sense of belonging is realised through a continuous engagement with society, citizens and economic sectors. The budget is €78 million. Grants are worth up to €4m each.

Website: <https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/opportunities/topic-search;callCode=null;freeTextSearchKeyword=HORIZON-CL2-2023-HERITAGE-01;matchWholeText=true;sortQuery=sortStatus;orderBy=asc;onlyTenders=false;topicListKey=topicSearchTablePageState>

EIT Health - wild card programme

Primary funder name: European Institute of Innovation and Technology (EIT)

Closing date: 14 Mar 23 (Forecast)

Award type: Industry or Business Funding, Research: Project Grants & Innovation

Award amount max: EUR 1,500,000.00

Summary text: This creates healthcare and life sciences companies that hold the potential to transform healthcare. Up to two teams are supported with up to €1.5 million each over two years, as well as mentoring and coaching.

Website: <https://eit.europa.eu/our-activities/opportunities/eit-health-wild-card-2022>

Global health policy and systems research consortia

Primary funder name: National Institute for Health Research (NIHR)

Closing date: 15 Mar 23

Award type: Research: Project Grants & Innovation

Award amount max: GBP 4,000,000.00

Summary text: This supports applied research to strengthen health policy and health systems for the benefit of people in ODA-eligible countries on the DAC list. Awards are worth up to £4 million for a period of up to five years.

Website: <https://www.nihr.ac.uk/funding/global-hpsr-call-3-consortia/32005>

Research in response to current or anticipated humanitarian health crises

Primary funder name: Enhancing Learning and Research for Humanitarian Assistance (ELRHA)

Closing date: 15 Mar 23 (Forecast)

Award type: Research: Project Grants & Innovation

Award amount max: GBP 400,000.00

Summary text: This supports research that strengthens the evidence base for public health interventions in humanitarian crises and contributes to better health outcomes for people affected by crisis. Funding is worth up to £400,000 for up to 18 months.

Website: <https://www.elrha.org/funding-opportunity/r2hc-call-for-research-in-response-to-current-or-anticipated-humanitarian-health-crises/>

Global non-communicable disease prevention in cities

Primary funder name: Medical Research Council (MRC)

Closing date: 15 Mar 23

Award type: Research: Project Grants & Innovation

Award amount max: GBP 5,000,000.00

Summary text: This supports implementation research proposals with the potential to equip policymakers and practitioners with evidence-based strategies for reducing the risk factors for non-communicable diseases in cities in disadvantaged populations globally.

Website: <https://www.ukri.org/opportunity/global-non-communicable-disease-prevention-in-cities/>

Global Health Policy and Systems Research Call - projects

Primary funder name: National Institute for Health Research (NIHR)

Closing date: 15 Mar 23

Award type: Research: Project Grants & Innovation

Award amount max: GBP 1,000,000.00

Summary text: The aim of the programme is to support applied research to strengthen health policy and health systems for the benefit of people in ODA-eligible countries. Awards are worth up to £1 million for a period of up to three years.

Website: <https://www.nihr.ac.uk/funding/global-hpsr-call-3-projects/32003>

Industrialising net-zero automotive technology

Primary funder name: Innovate UK

Closing date: 15 Mar 23

Award type: Industry or Business Funding, Research: Project Grants & Innovation

Award amount max: GBP 20,000,000.00

Summary text: This supports projects that design, develop and manufacture technology that will work towards delivering net-zero carbon emission on-vehicle technologies for on-road or off-road vehicles. Total eligible project costs must be between £2.5 million and £20m and be a minimum of 50 per cent co-funded.

Website: <https://apply-for-innovation-funding.service.gov.uk/competition/1238/overview/2cade740-0acb-498c-a406-920377270e3a>

Improving services for people living with diabetes: 22/143

Primary funder name: National Institute for Health Research (NIHR)

Closing date: 15 Mar 23

Award type: Research: Project Grants & Innovation

Award amount max: -

Summary text: This supports research on how to understand how services can be improved for people with type 1 and type 2 diabetes. There are no fixed limits on the duration of projects or funding, and proposals should be tailored to fully address the research problem.

Website: <https://www.nihr.ac.uk/funding/22143-improving-services-for-people-living-with-diabetes/31902>

Health and social care delivery research programme - NICE rolling call: 22/165

Primary funder name: National Institute for Health Research (NIHR)

Closing date: 15 Mar 23

Award type: Research: Project Grants & Innovation

Award amount max: -

Summary text: This seeks applications to meet recommendations in research identified in NICE guidance published from 2015 onwards.

Website: <https://www.nihr.ac.uk/funding/22165-nihr-nice-rolling-call-hsdr-programme/31953>

Postdoctoral Research Bursary for Clinical Trainees

Primary funder name: Cancer Research UK (CRUK)

Closing date: 15 Mar 23

Award type: Fellowships or Post-doctoral Awards, Research: Project Grants & Innovation, Scholarships, Training or Bursaries

Award amount max: GBP 35,000.00

Summary text: This award offers funding for clinical trainees to undertake a research project after completion of a PhD. Applications are considered from any area of our funding remit, with the exception of clinical trials and drug discovery.

Website: <https://www.cancerresearchuk.org/funding-for-researchers/our-funding-schemes/postdoctoral-research-bursary-for-clinical-trainees>

Pre-Doctoral Research Bursary

Primary funder name: Cancer Research UK (CRUK)

Closing date: 15 Mar 23

Award type: Research: Project Grants & Innovation, Scholarships, Training or Bursaries

Award amount max: GBP 45,000.00

Summary text: The Research Bursary provides short-term funding to allow clinicians and other health professionals to get involved in research projects early in their career. The bursary should be used to give you a greater understanding of research before deciding whether to undertake a PhD or MD, and/or give...

Website: <https://www.cancerresearchuk.org/funding-for-researchers/our-funding-schemes/pre-doctoral-research-bursary>

[Health and social care delivery research programme - researcher-led workstream: 22/164](#)

Primary funder name: National Institute for Health Research (NIHR)

Closing date: 15 Mar 23

Award type: Research: Project Grants & Innovation

Award amount max: -

Summary text: This supports research that produces rigorous and relevant evidence to improve the quality, accessibility and organisation of health and social care services. A range of projects in both size and duration will be funded.

Website: <https://www.nihr.ac.uk/funding/22164-health-and-social-care-delivery-research-programme-researcher-led/31950>

[Optimal models of reablement services research grant](#)

Primary funder name: Department of Health and Social Care (DHSC)

Closing date: 15 Mar 23

Award type: Research: Project Grants & Innovation

Award amount max: -

Summary text: This supports research on optimal models of reablement services.

Website: <https://www.nihr.ac.uk/funding/22132-optimal-models-for-reablement-services/31623>

[International space university - scholarship scheme](#)

Primary funder name: UK Space Agency

Closing date: 15 Mar 23 (Forecast)

Award type: Fellowships or Post-doctoral Awards, Scholarships, Training or Bursaries

Award amount max: -

Summary text: These support UK citizens who wish to attend the International Space University's nine week space studies programme or its one year master of space studies programme. The total budget is £30,000.

Website: <https://www.gov.uk/government/publications/international-space-university-scholarship-scheme/international-space-university-scholarship-scheme>

[HEE/NIHR integrated clinical academic programme - predoctoral clinical and practitioner academic fellowships](#)

Primary funder name: National Institute for Health Research (NIHR)

Closing date: 16 Mar 23

Award type: Fellowships or Post-doctoral Awards

Award amount max: -

Summary text: These support early career researchers from health and social care professions to become to take time to develop a doctoral fellowship application and to undertake funded academic training. Fellowships may be taken full-time for one year or part time for up to 30 months.

Website: <https://www.nihr.ac.uk/funding/pre-doctoral-clinical-academic-fellowship-pcaf-round-6/32403>

Newton international fellowships - humanities and social sciences

Primary funder name: The British Academy (BA)

Closing date: 16 Mar 23 (Forecast)

Award type: Fellowships or Post-doctoral Awards

Award amount max: -

Summary text: These enable early-career researchers from around the world to work at UK research institutions and conduct humanities and social sciences research. Fellowships are worth £76,000 over two years plus a one-off payment of up to £3,500 for relocation expenses.

Website: <https://www.thebritishacademy.ac.uk/newton-international-fellowships>

Satellife competition

Primary funder name: UK Space Agency

Closing date: 17 Mar 23 (Forecast)

Award type: Prizes and Awards

Award amount max: -

Summary text: This supports young people in developing original ideas relating to how satellites could improve life on Earth. Selected applicants will receive expert advice and support as well as the opportunity to win a share of a £50,000 prize.

Website: <https://www.gov.uk/government/publications/satellife-competition-2022-how-to-enter-and-other-resources>

Changing the way we deliver emergency care challenge

Primary funder name: NHS Wales

Closing date: 17 Mar 23

Award type: Industry or Business Funding, Research: Project Grants & Innovation

Award amount max: GBP 340,000.00

Summary text: This supports innovative solutions for use in the pre-hospital environment that seek to improve capabilities and use of technology.

Website: <https://iuk.ktn-uk.org/opportunities/sbri-with-welsh-ambulance-services-changing-the-way-we-deliver-emergency-care/>

Future leaders in innovation, enterprise and research

Primary funder name: Academy of Medical Sciences

Closing date: 18 Mar 23 (Forecast)

Award type: Scholarships, Training or Bursaries

Award amount max: -

Summary text: This aims to develop leaders of the future who can create collaborations across academia, industry, the NHS and government to drive innovation across the life sciences sector. The programme lasts for two years.

Website: <https://acmedsci.ac.uk/grants-and-schemes/mentoring-and-other-schemes/FLIER/flier-cohort-3>

Marine unexploded ordinance removal for offshore wind farms

Primary funder name: Innovate UK

Closing date: 18 Mar 23 (Forecast)

Award type: Research: Project Grants & Innovation

Award amount max: -

Summary text: This supports the development of innovative solutions to marine unexploded ordinance clearance. Successful applicants will gain access to demonstration space, technical and business support services, collaboration and networking opportunities, and the chance to pitch their proposed solution.

Website: <https://ktn-uk.org/opportunities/ix-challenge-marine-unexploded-ordnance-removal-for-offshore-wind-farms/>

Early postdoctoral fellowship

Primary funder name: Chief Scientist Office (CSO)

Closing date: 20 Mar 23

Award type: Fellowships or Post-doctoral Awards

Award amount max: -

Summary text: This aims to build health research capacity in Scotland, and as such it provides the opportunity for both clinical and non-clinical health researchers to develop their research following successful completion of a PhD. Funding covers basic personal salary and consumable costs of up to £30,000 over three years.

Website: <https://www.cso.scot.nhs.uk/personal-awards-initiative/early-postdoctoral-fellowship/>

Access to high performance computing

Primary funder name: Engineering and Physical Sciences Research Council (EPSRC)

Closing date: 20 Mar 23 (Forecast)

Award type: Equipment & Materials or Facility Use and Construction

Award amount max: -

Summary text: This enables researchers to apply for computational resource from EPSRC funded high performance computing services to support research projects from across EPSRC's remit.

Website: <https://www.ukri.org/opportunity/access-to-high-performance-computing/>

EIT RawMaterials - start-up accelerator programme - phase one

Primary funder name: European Institute of Innovation and Technology (EIT)

Closing date: 20 Mar 23

Award type: Collaboration Opportunities & Networking, Industry or Business Funding, Research: Project Grants & Innovation

Award amount max: EUR 10,000.00

Summary text: This supports start-ups in developing sustainable products or services in the raw materials sector. Funding is worth up to €10,000 over three months.

Website: <https://eitrawmaterials.eu/accelerator/>
