DEGREE CELEBRATIONS

July 2022

A portrait of Professor Dame Nancy Rothwell, President and Vice-Chancellor of The University of Manchester. She is an older woman with short, blonde hair, wearing a dark blue jacket with white stripes on the cuffs and collar. She has her arms crossed and is looking slightly to the left of the camera with a gentle smile. The background is a solid, dark blue color.

“Use your head,
but follow your heart.”

Professor Dame Nancy Rothwell,
President and Vice-Chancellor
of The University of Manchester

Congratulations

from the President and Vice-Chancellor

**I welcome you all – graduands, family members
and friends – to The University of Manchester for
this degree congregation.**

This is a time of celebration and I hope you enjoy this special occasion. For those of you graduating today, this is also the perfect opportunity to reflect on your time here at Manchester, to think about your successes and achievements and anticipate with excitement the next stage of your journey. As you are presented for conferment of your degree, the University shares with you a great sense of pride in the award you have worked so hard to attain.

I encourage you to take charge of your future, find your voice and form your own opinions. Have confidence in the knowledge and experience you have gained during your time here and, as you collect your degree, know you are ready to take on your next challenge and shape your own future.

These ceremonies mark not the end of your relationship with the University, but the start of a new chapter. You are now part of a global network and it is my hope that the links between you and the University, will grow stronger as you become an active member of one of the world's largest alumni communities.

I wish you every success for the future and hope that you have a truly memorable day.

Professor Dame Nancy Rothwell

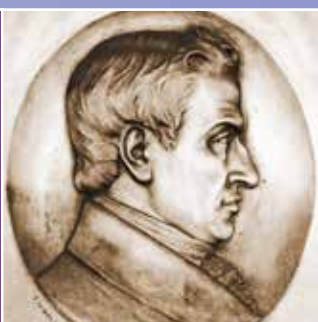

Leading the way

Throughout our history, Manchester has helped shape the world through knowledge, wisdom and humanity. Our staff and alumni instil in our students and graduates a desire to improve people's lives through research, teaching and social responsibility, investing in the future of others.

1851

John Owens

Owens College is formed with the fortune of Manchester industrialist John Owens.

1948

Prof Alan Turing OBE FRS

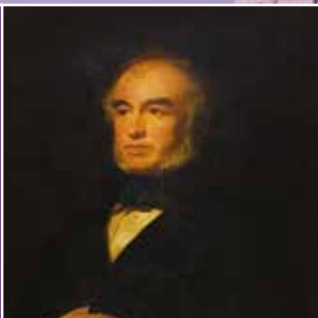

The famed wartime codebreaker joins the University, where he later gains a reputation as the father of modern computing.

1874

Edward Ryley Langworthy

The Langworthy Chair, a position later held by five Nobel Prize winners, is created by the legacy of this donor to the University.

1945

Ellen Wilkinson

Ellen Wilkinson is appointed as Britain's first female minister for education. As a student she won scholarships for every stage of her education.

1906

Dame Christabel Pankhurst DBE

Prior to her role in the suffragette movement, she graduates in law at a time when it was illegal for women to practise the profession.

1908

Sir Ernest Rutherford OM FRS

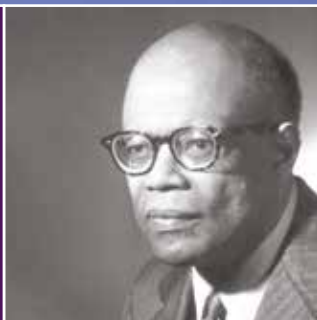

This pioneer of chemistry and physics, who would later 'split' the atom, becomes the University's first Nobel Prize winner in 1908.

1979

Sir Arthur Lewis

Britain's first Black professor, Arthur Lewis wins the 1979 Nobel Prize for Economics.

2017

Naa Acquah

The first Black woman to hold the position of General Secretary of the Students' Union, Naa Acquah graduates in 2017.

1998

Prof Brian Cox OBE FRS

Graduating in Physics, Brian Cox starts a scientific career that has seen him become a household name through his work to popularise science.

2016

Jean D'Amour Mutoni

Queen's Young Leaders Award recipient Jean Mutoni, whose scholarship was supported by a donation to the University, graduates with a master's degree in Medical Microbiology.

2004

Prof Alan Gilbert AO

Alan Gilbert is appointed President and Vice-Chancellor in 2004, later establishing Equity and Merit Scholarships and the Manchester Access Programme.

2006

Prof Danielle George MBE

Danielle George is awarded her PhD. Ten years later she receives an MBE for her services to promote public engagement in engineering.

A global community

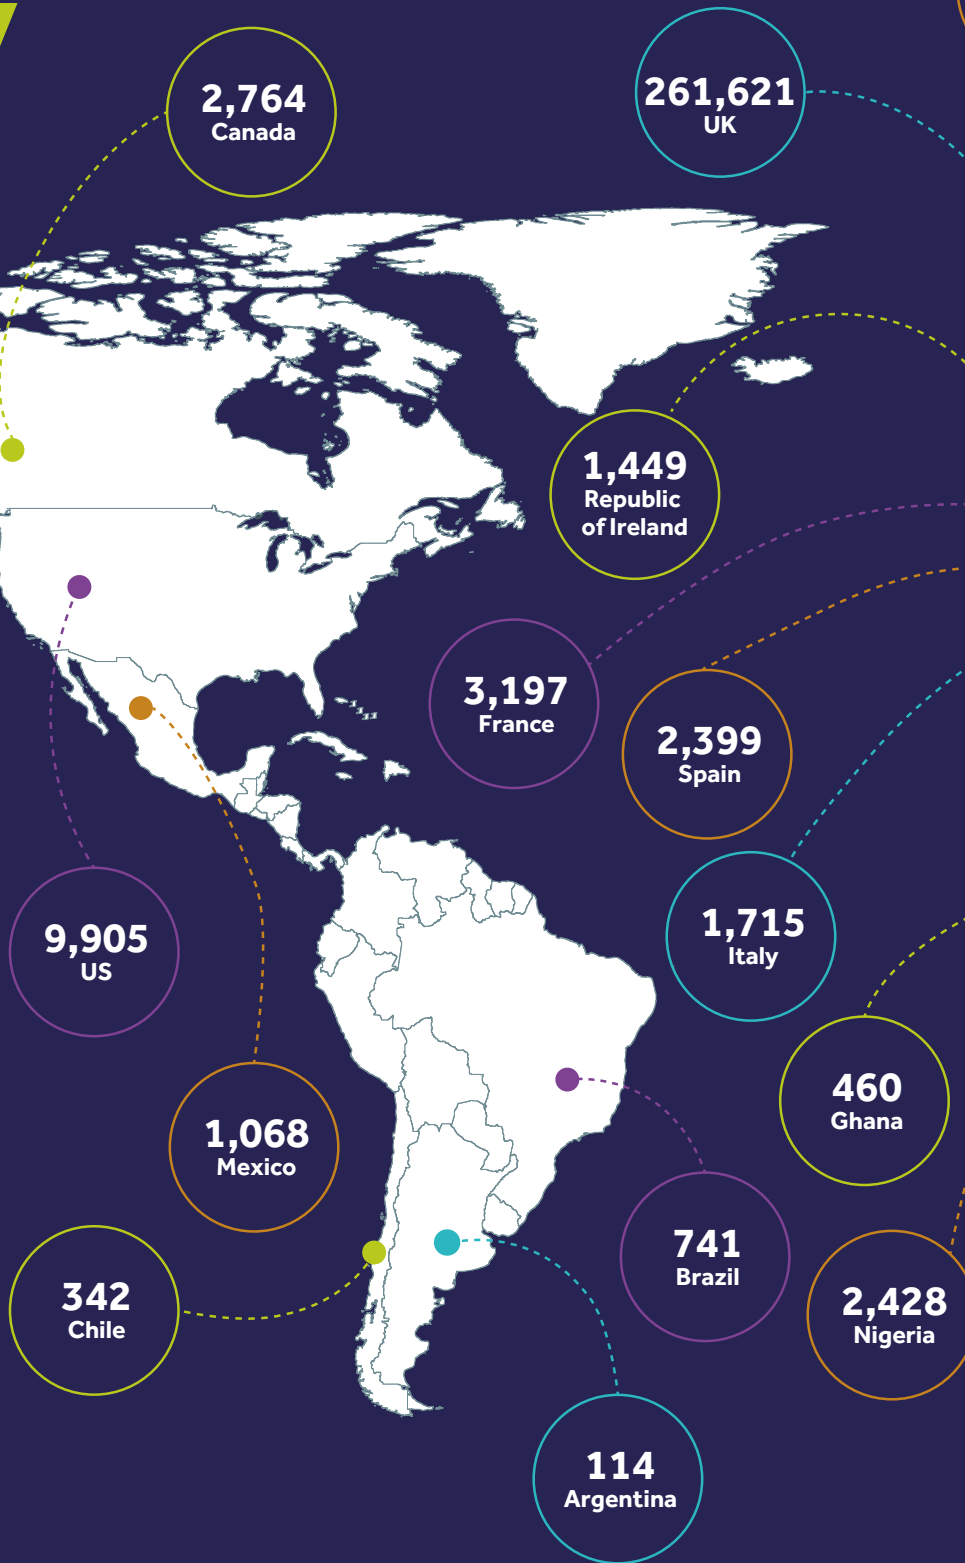

With more than 500,000 graduates worldwide, we're proud to welcome you to the largest alumni community of any UK campus-based university.

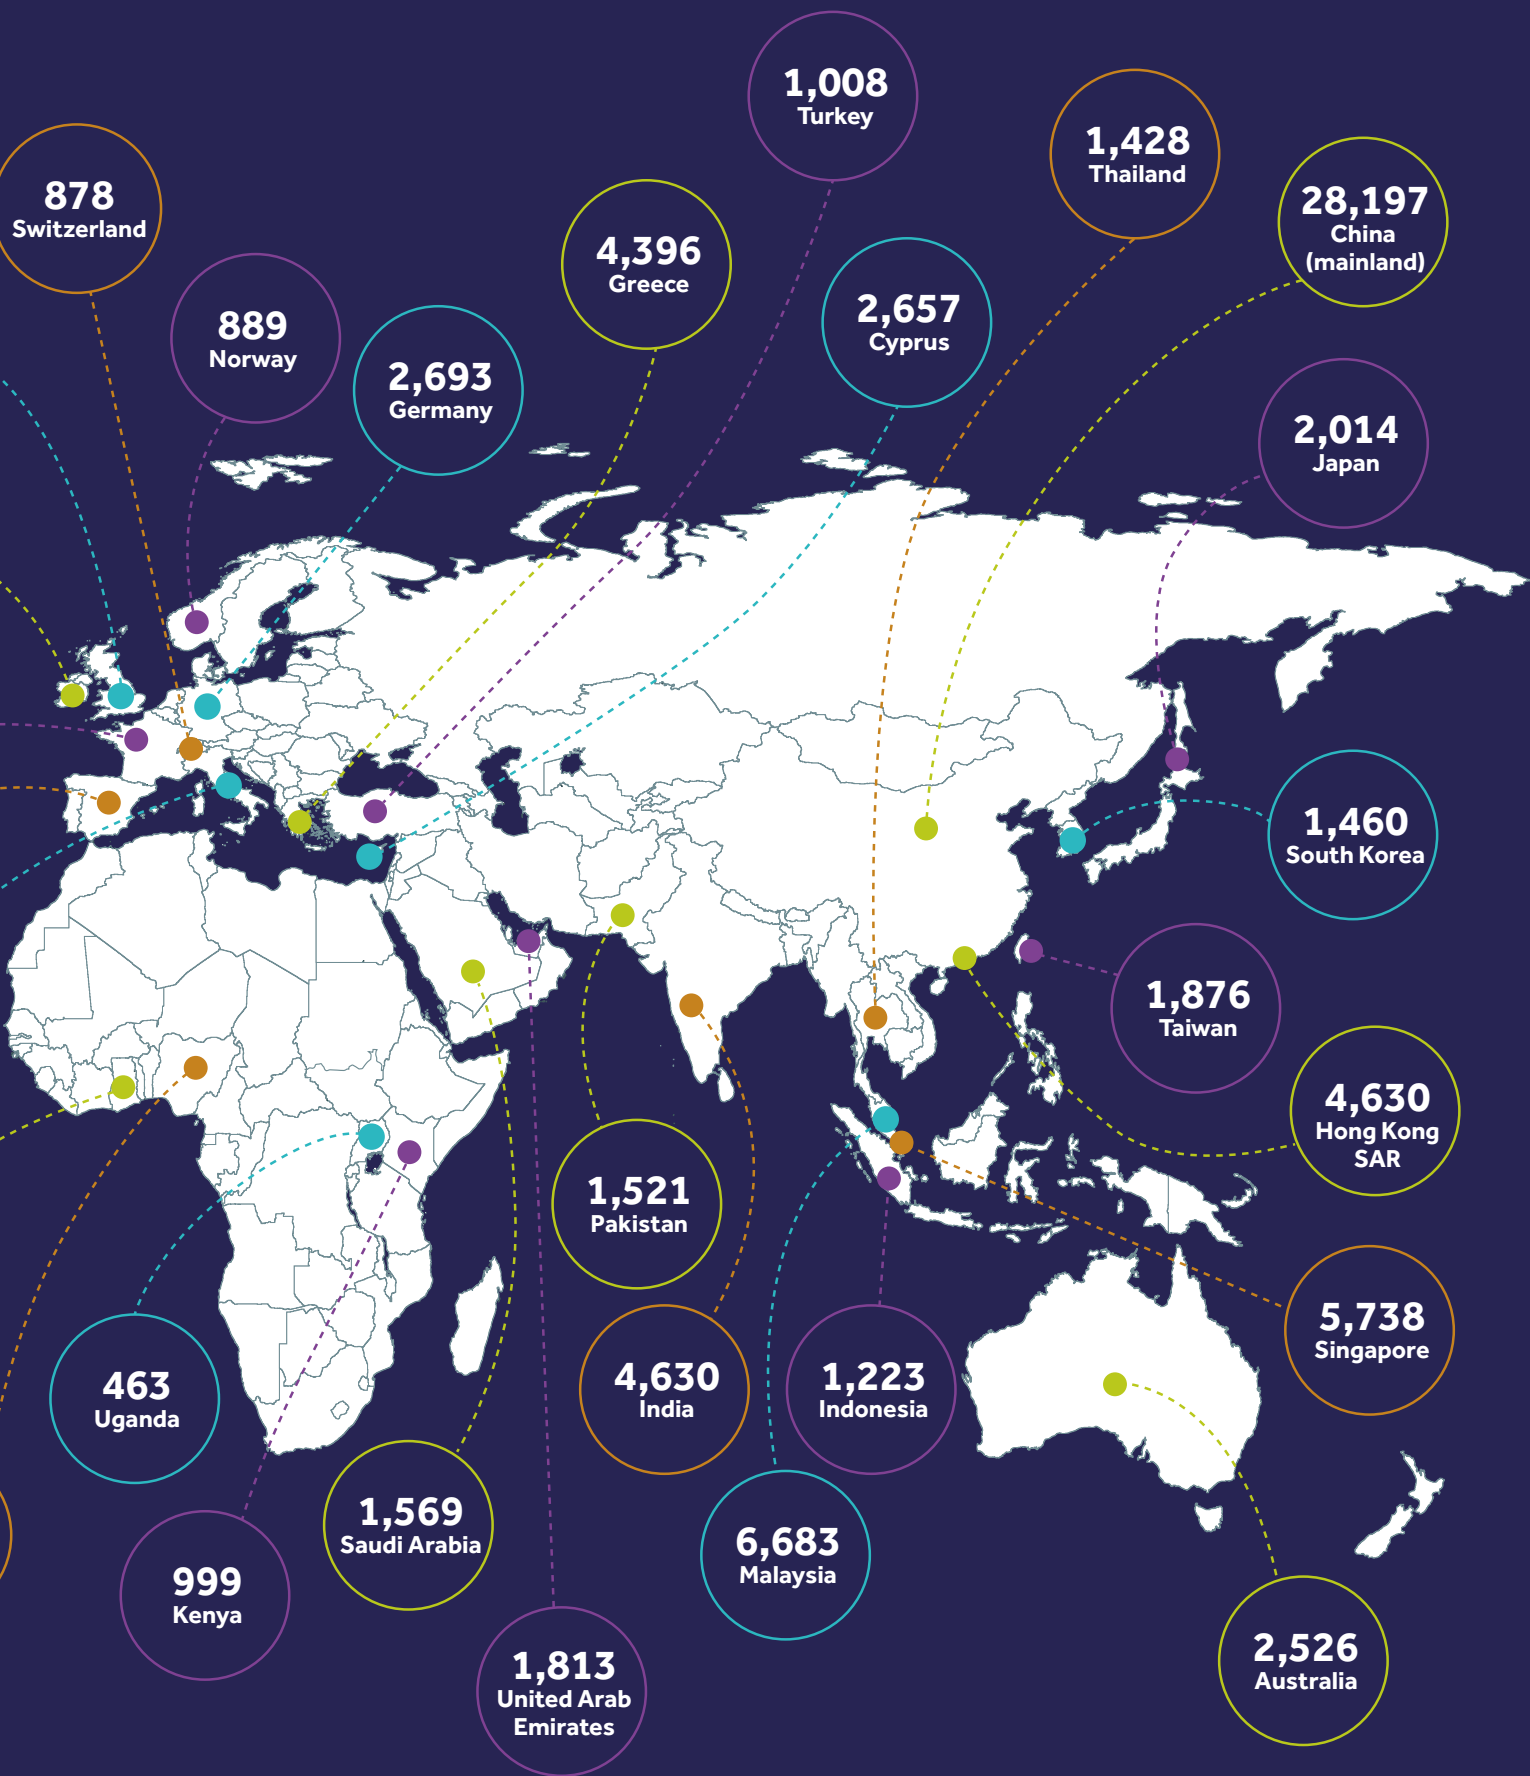

Half a million is not just a big number. It's a community with active groups all over the world.

Whether you're adventuring abroad or you're returning home – there's an alumni group wherever you go.

These groups offer you a diverse, highly skilled and welcoming network of friends and professional contacts. They also help you stay connected with the University.

Find your nearest alumni group or volunteer to start your own:
www.manchester.ac.uk/global-community

STELLIFY

Our University has always been a pioneer of change – we're committed to looking forward and forging new paths. We created Stellify to support our students and graduates to develop these qualities too.

During your time at Manchester you'll have embraced many different opportunities; broadened your horizons; examined and challenged real-world issues; led change; and given something back to local and global communities.

Each path was unique, but the cumulative impact and influence is far-reaching. We're proud that so many of you graduating embraced our collective commitment to social responsibility and made a difference.

IT'S TIME TO STELLIFY

It's time to Stellify
Be the focus, be the vision
Be the brightest in the universe
Be the future, be driven

There's half a million alumni
190 countries across the globe
25 Nobel laureates
This is our genetic code

There's stardust in your DNA
You are a meteorite
You are the pen tempting words
You are the lens sensing light

Be ten thousand degrees
Be light years travel in time
Be the star of the universe
And shine, shine, shine

*Lemn Sissay OBE, poet, author and
Chancellor of The University of Manchester*

Highlights

2021-22

University named one of the world's leading universities for action on sustainable development

With a record number of universities taking part in this year's awards, Manchester ranked ninth globally in the Times Higher Education Impact Rankings, out of nearly 1,600 international entrants from 99 countries. This makes Manchester the only institution in Europe to be consistently named in the top 10 globally for action taken towards the United Nations' Sustainable Development Goals since the rankings began.

Manchester retains top 2% in the latest QS World University Rankings

The University of Manchester has maintained its position as the 6th best university in the UK and is named the world's 28th best institution, according to the QS World University Rankings 2022. This year's rankings included 1,422 institutions from 100 different locations worldwide, with 90 from the UK alone.

First UK-wide evaluation since 2014 confirms University as global research powerhouse

The University of Manchester has retained 5th place for research power – the quality and scale of research and impact – in the UK government's Research Excellence Framework (REF) 2021, the major national exercise to evaluate research activity, which was last held in 2014.

Student Volunteering Week celebrates its best year yet

Despite disruption from the pandemic, more than 200 students took part in this year's virtual Volunteering Week. Across the week, students each logged 140 hours of volunteering; writing letters to seriously ill children and contributing to community mapping in northern Uganda to help orthopaedic surgeons reach those in need of healthcare and prosthetic limbs.

Student volunteers transform local shelter garden

Our students demonstrated their incredible community spirit and passion for social responsibility by volunteering to help transform the garden at the Women's Direct Access Shelter. They worked alongside locals to create a space for the shelter's residents to have a safe place to relax, socialise and receive support.

Other highlights from the year

Despite the challenging circumstances, the University's students and staff were still able to make ground-breaking achievements. Here are a handful of the biggest stories from the past year.

Medical student recognised among 100 most outstanding Black university students in the UK

George Obolo, a third-year Medicine student, placed within the top five in Powerlist Magazine's 100 Most Outstanding Black University Students. This comes in recognition of The Black Excellence Network, a non-profit organisation he co-founded to help tackle racial disparities Black students experience within UK higher education.

Marcus Rashford MBE receives honorary degree at Old Trafford ceremony

The international footballer was awarded his honorary degree for his ongoing charity work and inspiring campaign against child poverty, as well as his outstanding sporting achievements on the pitch.

Army of student heroes at Alderley Park Lighthouse Laboratory

University staff and students played a key role in helping to establish the Alderley Park Lighthouse Laboratory, which has become a crucial component of the government's COVID-19 testing programme. Around half a million test samples are processed each day at the 'super lab', where dozens of our people volunteer their time and expertise.

Students plant more than 100 trees to help fight climate crisis

The Tree Musketeers was set up by the University's Dr Anna Gilchrist to work with local environmental organisations to undertake conservation volunteering. Students participate in a diverse range of activities providing habitat management and species protection including tree planting and thinning, scrub clearance, pond creation and building bird nests and bat boxes.

Stellify Award winners

The Stellify Award is the University's most prestigious extracurricular accolade. It's presented to students who have successfully engaged with the University's Ethical Grand Challenges, undertaken 25 hours (or more) of community volunteering and fulfilled two leadership roles.

In 2022, the graduates who have achieved the Stellify Award are as follows.

The Affirmation

(new graduates in Nursing standing.)

- "I affirm that I will:
- make the care of my patients my first concern;
 - treat every patient politely and considerately;
 - respect patients' dignity and privacy;
 - listen to patients and respect their views;
 - give patients information in a way they can understand;
 - respect the right of patients

to be fully involved in decisions about their care;

- keep my professional knowledge and skills up to date;
- recognise the limits of my professional competence;
- be honest and trustworthy;
- respect and protect confidential information;
- make sure my personal beliefs do not prejudice my patients' care;
- act quickly to protect my patients from risk if I have good reason to believe that I or a colleague may not be fit to practise;
- avoid abuse of my position as a nurse;
- work with colleagues in the ways that best serve patients' interests.

In all these matters I will never discriminate unfairly against my patients or colleagues. I will always be prepared to justify my actions to them."

Graduates reply: "I so affirm".

The Affirmation

(graduates in Bachelor of Dental Surgery, Bachelor of Medicine, Bachelor of Surgery standing.)

"I affirm that I will:

- make the care of my patients my first concern;
- treat every patient politely and considerately;
- respect patients' dignity and privacy;
- listen to patients and respect their views;
- give patients information in a way they can understand;
- respect the right of patients to be fully involved in decisions about their care;
- keep my professional knowledge and skills up to date;
- recognise the limits of my professional competence;
- be honest and trustworthy;
- respect and protect confidential information;
- make sure my personal beliefs do not prejudice my patients' care;
- act quickly to protect my patients from risk if I have good reason to believe that I or a colleague may not be fit to practise;

- avoid abuse of my position as a dentist, doctor;
- work with colleagues in the ways that best serve patients' interests.

In all these matters I will never discriminate unfairly against my patients or colleagues. I will always be prepared to justify my actions to them."

Graduates reply: "I so affirm".

Stay connected

Congratulations, Class of 2022!

Welcome to your global alumni community. We're here to help you preserve a lifelong connection with the University, the city of Manchester and each other. We invite you to continue friendships, share experiences and inspire those who follow in your footsteps.

You're part of an alumni community of more than 500,000 graduates worldwide – the largest of any campus-based university in the UK. We can help you connect with other graduates around the world to network and progress your career at every stage.

Update your personal details so we can stay in touch and continue to support you.

We can't wait to see what you do next.

Shape your future

As a new graduate of Manchester, you have opened up the doors to a whole range of opportunities. We're here to help you take your first steps into life after university. Here are five things you can do now to prepare for your future.

1

Graduate careers support

As a Manchester graduate, you can continue to benefit from our support and resources, including careers guidance, interview practice and application advice.

uom.link/graduatecareer

2

Register on CareerConnect

Continue to use CareerConnect to search for graduate opportunities, appointments and events. Once your student account stops working, you can register for an alumni account.

uom.link/careerconnect

3

Get application ready

No matter what stage you're at in your career, use our learning and support pathways to help you with CVs, cover letters and applications for jobs or further study.

uom.link/pathways

4

Join LinkedIn

Join The University of Manchester Graduate Careers Network to find out more about ongoing careers support, opportunities and special events for Manchester graduates.

uom.link/linkedin

5

Consider further study or research

If you're interested in pursuing postgraduate study or research, we can help you consider your options and apply for programmes.

uom.link/pgstudy

**GRADUATE
OUTCOMES**

An agency will contact you on our behalf to invite you to complete the Graduate Outcomes Survey. Your response will help us find out what you're doing after graduation, allow us to celebrate your success, and will inspire future generations of Manchester graduates.

During the course of this event no alarm test or emergency evacuation practice have been planned. Therefore, if the alarm, which is a single-stage alarm, is activated it should be treated as a potential incident requiring evacuation.

Graduands and guests are asked to remain calm and seated and follow the instructions given by stewarding staff.

The assembly point is on the front quadrangle, adjacent to the Whitworth Hall and opposite John Owens Building.
