

Playtime – Winner of 'Best Event' at Fantastic For Families award 2019.

All August the Whitworth will be exploring the art of play. Have a wander and find things to do both indoors and out. With our Scrap Studio, sketching stations, Whitworth Minecraft and a sensory area for babies, there's something for all the family in a gallery where art meets nature.

Scrap Studio

Tuesday—Thursday, 1 – 4 pm

The Garden Studio will be packed full of open-ended, recycled equipment to be pulled out and played with in the Art Garden and Park. With old tyres, large reels, huge tubes and pipes, big boxes, crates and much more, there's a world of possibilities to explore and create with.

Scrap Baby
