8. Please provide details of what you valued about this unit? [free text]
9. Please provide details of what you think could be improved on this unit? [free text]

The following questions refer to something called a learning community. A learning community results in a student feeling as though they 'belong' to their course and the cohort of students and staff they are studying with. A learning community provides opportunities for students & staff to learn together and support each other, as opposed to a self-led, individual approach.

10. What things do we do well that have helped you to feel part of a learning community? (this could be whilst studying this unit on campus or remotely) [free text]
11. What could we do better to make you feel part of a learning community? (this could be whilst studying this unit on campus or remotely) [free text]
