

MBChB

Induction Timetable 2025

The purpose of this timetable is to outline what you can expect in your first week.

When you get started you will access a live online personalised timetable on 1Med which should be your single point of reference. **This timetable may not cover all your teaching sessions for this week, so please ensure you check your timetable online.**

We also recommend checking out the [main University events](#) – there are campus tours, city tours, silent discos, sports fairs, even a Vintage Folk clothing sale! There really is something for everyone!
