Name of Student:	
Student ID:	
Student degree programme and year:	
Which research project are you applying for?	
Grades achieved in your degree so far	

Please provide a 300-500 word statement outlining why you would like to apply for the specific project and what you would bring to it.

ACADEMIC ADVISOR DECLARATION

I confirm that I have met with the above student to discuss their application to the Undergraduate Scholars Programme and I can confirm the following:

- The attendance record provided to me by the Undergraduate programmes administration team for this student is satisfactory and has raised no areas of concern.
- I have not been made aware of any misconduct or disciplinary cases made against this student and I am therefore satisfied that their conduct on the programme to date has been satisfactory.
- I have discussed with the student the commitment that the UG Scholars Programme may entail and the student has confirmed verbally that they understand the commitment and can balance it with their studies.

Please provide any further statement of reference here (max 500 words):
