The north foyer of the building is accessed via Lime Grove

² Topics may include 'at a restaurant', 'out shopping' etc. Pupils are asked to come up with their own ideas for a short scene in the language they are studying at school. They will be supported by a language student ambassador. The role plays will be filmed and there will be the opportunity to watch other groups' role plays at the end of the day (please see consent sheet, next page, for more details). Student ambassadors will be briefed carefully on the activity. Our ambassadors can support role plays in French, German, Spanish and also Russian, Italian, Mandarin Chinese, Portuguese, Arabic & Japanese. If your pupils study other languages, e.g. Urdu, they can still work with an ambassador during this session, but she/he will not necessarily be a speaker of that language.
