Our PGR Provision

- Member of the North West Doctoral Training Centre (ESRC) and the North West Consortium Doctoral Training Partnership (AHRC).
- Each department has its own PhD Program with its own specificities, but all form part of SoSS PGR and share rules/resources/practices.
- We have around 300 active PhD students in the School across all departments.
- Research students are part of our research culture and environment.

Duration and funding sources

- Duration: normally 3/3.5 years. Economics: 1+4. Extra year for writing up (submission pending).
- Funding:
 - Internal
 - ESRC/AHRC
 - Other funding bodies

Who can supervise

- Research active staff.
- To be a main supervisor:
 - Employed for the duration of the PhD.
 - Have supervised to completion.
- Second supervisor (also possible if on probation).

How to get involved...

- Let your Program director/Admissions tutor know that you are keen on supervising, and your area(s) of interest.
- Talk to our PhD students, attend their seminars/events, be supportive.
