DEGREE CELEBRATIONS

December 2022

A portrait of Professor Dame Nancy Rothwell, President and Vice-Chancellor of The University of Manchester. She is an older woman with short, blonde hair, wearing a dark blue jacket with white stripes on the cuffs and collar. She has her arms crossed and is looking slightly to the right of the camera with a gentle smile. The background is a solid, dark blue color.

“Use your head,
but follow your heart.”

Professor Dame Nancy Rothwell,
President and Vice-Chancellor
of The University of Manchester

Congratulations

from the President and Vice-Chancellor

I welcome you all – graduands, family members and friends – to The University of Manchester for this degree congregation.

This is a time of celebration and I hope you enjoy this special occasion. For those of you graduating today, this is also a perfect moment to reflect on your time here at Manchester, to think about your successes, achievements and the excitement of the next stage of your journey. As you are presented for conferment of your degree, the University shares with you a great sense of pride in the award you have worked so hard to attain.

I encourage you to take charge of your future, find your voice and form your own opinions. Have confidence in the knowledge and experience you have gained during your time here and, as you collect your degree, know that you are ready to take on your next challenge and shape your own future.

These ceremonies mark not the end of your relationship with the University but the start of a new chapter. You are now part of a worldwide network and it is my hope that the links between you and the University will grow stronger as you become an active member of one of the largest global alumni communities.

I wish you every success for the future and hope that you have a truly memorable day.

Professor Dame Nancy Rothwell

5

Consider further study or research

GRADUATE OUTCOMES

An agency will contact you on our behalf to complete the Graduate Outcomes Survey. Your response will help us find out what you're doing after graduation, allow us to celebrate your success, and will inspire future generations of Manchester graduates.

#UoMGraduation

During the course of this event no alarm test or emergency evacuation practice have been planned. Therefore, if the alarm, which is a single-stage alarm, is activated it should be treated as a potential incident requiring evacuation.

Graduands and guests are asked to remain calm and seated and follow the instructions given by stewarding staff.

The assembly point is on the front quadrangle, adjacent to the Whitworth Hall and opposite John Owens Building.
