

Application for a **My get me there** Corporate card (if paying on account)

How to apply for your Corporate Smart card and annual ticket

As your organisation is part of the Metrolink corporate scheme, the application form must be completed in full prior to uploading it (in a jpeg format), along with a photograph of yourself to support an on-line application for a **get me there** corporate smart card.

The corporate smart card must be requested through the **get me there** portal **getmethere.com**. Please click through the corporate ticket section.

Once the corporate smart card has been approved, the smart Metrolink annual ticket will be issued and you will need to touch in at any of the smart readers on stop to activate your ticket.

You have 2 weeks to activate your ticket.

The **My get me there** corporate smart card is free of charge and expires 13 months from the date of issue. You need to renew your corporate smart card each year to continue to be entitled to a discounted annual ticket. Please don't request a corporate smart card more than 28 days before you need your Metrolink annual ticket to start.
