

CONRAD

A WEEK IN THE LIFE: PHILOSOPHY

"Hi, I am Conrad and I study Philosophy at Manchester. My favourite aspect of my degree by far has been all the extra-curricular opportunities and my involvement with our Students' Union. Because of this, I've met so many lovely people, been a part of so many cool projects. It's given me a number of exciting professional opportunities - helping me find the career I want to pursue after my degree."
