

9<sup>th</sup> February

Michael Smith's  
Building  
University of  
Manchester

NORTHWEST

RNA SALON

## Nick Proudfoot

University of Oxford

“Defining transcription units  
across the human genome”

15.30 - 16.30

Michael Smith's Lecture Theater

**LEXOGEN**  
The RNA Experts

**cambridge**  
bioscience

Short talks: 14.00 – 15.00 Michael Smith's Lecture Theater:

### **Pawel Grzechnik**

“Introduction to NW RNA salon”

### **Jennifer Love (Hilary Ashe's lab)**

“Combined modelling and imaging suggests a role for P-bodies in mRNA degradation in the *Drosophila* embryo”

### **Joanne Cunningham (Chris Grant's lab)**

“Isoform-specific roles of eIF4G in translational regulation”

**MANCHESTER**  
1824  
The University of Manchester

**UNIVERSITY OF**  
**LIVERPOOL**

**LIVERPOOL**  
**JOHN MOORES**  
**UNIVERSITY**

**Keele**  
UNIVERSITY
