"It was great to network with people of a similar mindset to myself." – 2019 Service Learning Conference attendee

The University of Manchester are very proud to host this important conference as Service Learning aligns with our third core goal- social responsibility.

We are number one in the UK and Europe, and number two in the world for social and environmental impact according to the *Times Higher Education* Impact Rankings 2023.

What is Service Learning?

Service Learning is a teaching and learning approach that combines academic study with community service. Through Service Learning we produce skilled, knowledgeable, and employable graduates that serve and help to strengthen our local communities where so much of our work has an impact.

Why is this Conference Important?

It will be of particular interest to academics involved in teaching and learning, students involved with volunteer projects, and to community leads and partners.

Interested in taking part? Submit your workshop or talk:
