

Greater Manchester
Mental Health
NHS Foundation Trust

We are recruiting lead and co-therapists to deliver our Culturally-adapted Family Intervention (CaFI) as part of our Randomised Controlled Trial (RCT).

Lead Therapists will be a Clinical Psychologist or equivalent with experience in Behavioural Family Therapy (BFT), Cognitive Behavioural Therapy (CBT) and family work.

Co-Therapists will be a Band 4 and have experience working with people diagnosed with schizophrenia and related psychoses.

Working patterns will be flexible and on a sessional basis.
