

**Selected scholars for full time campus-based master's  
2023/24 Cohort**

**Ethiopia**

Robel Hailu  
Ebrahim Wondmu

MSc Management of Projects  
MSc Medical Microbiology

**Malawi**

Noriah Katungwe  
Roy Pangani  
Justina Jemusi  
Charles Mvula  
Alex Thawani  
Mcfallen Mbughi

MSc Global Development: Development Management  
MSc Advanced Computer Science  
MSc Structural Engineering  
MSc Geographical Information Science  
MSc Health Data Science  
MSc Medical Microbiology

**Rwanda**

Victoire Ushindi  
Gilbert Benimana  
Laban Kayitete

MSc Communications and Signal Processing  
MSc Digital Development  
MSc Environmental Monitoring, Modelling and Reconstruction

**Tanzania**

Jacqueline Mushi  
Maria Mang'Oma  
Salim Salum  
Kelvin Zingilana

MSc Advanced Computer Science  
MSc Science and Health Communication  
MSc Environmental Impact Assessment and Management  
MSc Renewable Energy and Clean Technology

**Uganda**

Denise Tumubweine  
Maria Ndawula  
Shivan Musimenta  
Florence Kyalisiima  
Matthew Kinyanjui  
Cornelius Muhumuza

MSc Construction Project Management  
MSc Construction Project Management  
MSc Engineering Project Management  
MSc Geographical Information Science  
MSc Advanced Process Integration and Design  
MSc Structural Engineering

**Zimbabwe**

Sibongile Mushinga  
Nomagugu Ndlovu  
Ethel Mundondi  
Margaret Marewo  
Hilson Mutungamiri  
Beven Chinamasa  
Rogen Chitongo

MA Humanitarianism and Conflict Response  
MSc Advanced Control and Systems Engineering  
MSc Engineering Project Management  
MSc Global Urban Development and Planning  
MSc Global Development: Poverty, Inequality and Development  
MSc International Disaster Management  
MSc Management and Information Systems: Change and Development
