

WELCOME WEEK TIMETABLE

MNurs Year 4

Welcome to your studies at the University of Manchester!

This document contains details of all the activities which have been organised to introduce you to our course and the campus. Different sessions are planned on each day. Make sure you attend these sessions so that you are ready to start the course. **Please pay attention to the study cohort (i.e. on campus, e-blended, full time).**

You will be invited onto campus during the first weeks for a uniform fitting. You will receive an invite via email with a specific date/time, so please look out for this in due course.

Semester 1 teaching starts in the week beginning 29th September. Make sure you have accessed your timetable in advance and are aware of all of your sessions for this week.

You can use the following link to the campus map to help you find each session by its building number.
