

WELCOME WEEK TIMETABLE

BSc Optometry – Year 2

Welcome to your studies at the University of Manchester!

This document contains details of all the activities which have been organised to introduce you to our course and the campus. Different sessions are planned on each day. Make sure you attend these sessions so that you are ready to start the course. **Please pay attention to the study cohort (i.e. on campus, e-blended, full time).**

Semester 1 teaching starts in the week beginning 23rd September. Make sure you have accessed your timetable in advance and are aware of all of your sessions for this week.

You can use the following link to the campus map to help you find each session by its building number.

<p>Staff: None: self-directed refresher sessions Location: Carys Bannister_2.005</p> <p>About: This session will allow you to brush-up on your practical skills after the long Summer break. You should pair-up with a fellow yr 2 student and practice your skills from year 1.</p> <p>You are responsible for keeping the clinic tidy. Be respectful to your fellow students who will be using the room directly after you – make sure you replace any equipment and lenses used. <u>Failure to do so will affect future practice opportunities.</u></p>		<p>Staff: Prof. Chris Dickinson Location: Carys Bannister_3.009</p> <p>About: This session will allow you to get familiar (again) with how to use both types of manual focimeter. You should watch the video about this on Bb in advance.</p>
