

## Academic Success Programme

### School of Arts, Languages and Cultures

Our academic English writing workshops are delivered in blocks of four, with regular start dates. Each interactive workshop lasts 1 hour 30 minutes, and you can take the blocks in either order.

#### Writing an assignment

1	My academic writing <i>Entering your academic community and understanding your writer's voice.</i>
2	The writing process <i>Strategies for managing your time and approaching your writing.</i>
3	Reading into writing <i>Strategic, focused reading to inform your writing.</i>
4	Building an effective argument and supporting it with the literature <i>Strengthening your arguments and connecting them to your reading.</i>

#### Expressing criticality

1	"You need to be more critical in your writing" <i>How to write more critically.</i>
2	Making referencing impactful <i>Should you reference, and what is the best way to do it?</i>
3	Adopting a stance <i>Expressing your stance and arguing your point.</i>
4	Expansion and flow <i>Developing your text and connecting your ideas together smoothly.</i>
