If you have a disability or other additional support needs you are strongly encouraged to disclose this to the University on application or any time during the admission process so that the University may seek to support you throughout your studies. We have in place procedures to ensure that applications are

considered appropriately and that disabled applicants and those with additional support needs will, where possible, be provided with appropriate support in connection with the application process and subsequent study. For further information please contact us at dass@manchester.ac.uk or review our information for prospective and current students, available at: <http://www.dso.manchester.ac.uk/who-do-we-support/prospective-students/>.

2.2 Applicants under the age of 18

The University has a policy applicable to applicants who will not have reached the age of 18 on 1st September at the year of their proposed entry. This is available at:

<http://documents.manchester.ac.uk/DocuInfo.aspx?DocID=32593>.

The University is committed to ensuring the health, safety and well-being of all students and will undertake a risk assessment in connection with applicants who fall within the policy, as part of the application process. If, following the risk assessment, the University determines that an offer may be made to the applicant, the terms of the offer will specify any particular requirements or restrictions applicable to their admission to the University. The policy also sets out the University's rules relating to accommodation which apply to such applicants.

2.3 Disclosure of criminal convictions and Disclosure and Barring Service checks

The University's Information and Guidance for Applicants with a Criminal Conviction document sets out the University's rules and procedures regarding the disclosure of criminal convictions and the completion of Disclosure and Barring Service checks. Upon receipt of a disclosure, the University will complete an appropriate risk assessment in accordance with the document, which is available at:

Applicants for certain courses (for example, teaching, health, social work, pharmacy, medicine and others where studies involve regulated activity with children and/or vulnerable adults) must declare all criminal convictions, including spent convictions and cautions and bind-over orders, at the application stage. Applicants for such courses will also be required to complete a criminal records check with the Disclosure and Barring Service and/or a similar police check in their home country. The course content pages on the University's website (accessible at www.manchester.ac.uk/undergraduate/courses and www.manchester.ac.uk/postgraduate) specify whether a criminal records check is required for each course. In addition, applicants will be advised of any relevant requirements.

For all other courses, applicants are required to disclose to the University any relevant unspent criminal convictions at the point of accepting an offer for a course of study (and on a continuing basis throughout their studies, to their academic school).

2.4 Disclosure of medical information and occupational health checks

We require applicants for certain vocational or professional courses and research programmes to demonstrate medical fitness, in order to comply with the requirements of professional and regulatory bodies. Applicants for such courses and programmes will be required to disclose to the University relevant information regarding their health and may be required to undergo an occupational health check. Where this is necessary, the information published in relation to the Course will provide further information. Further information regarding the University's processes for seeking medical information and completing occupational health checks is available in the Procedure for admitting applicants for courses requiring medical fitness assessment which may be accessed at:

2.5 Immigration and visa requirements

If you are from a country outside of the UK and Ireland, you may need immigration permission to study in the UK and will need to provide valid ID that confirms your immigration status as part of our Right to Study check. Information on conditions of stay relevant to your particular immigration status can be found via the Government's Visa and Immigration webpages.

If you require a student visa to study in the UK, it is your responsibility to ensure that you have a valid visa throughout your course. You must comply with any conditions that apply to your student visa, including attendance and engagement. Requirements for monitoring attendance can be found in Regulation XX: Monitoring Attendance and Wellbeing of Students.

If you hold limited leave to remain which is due to expire during your course, you will be required to demonstrate to us that you have obtained further leave to remain or, where relevant, Indefinite Leave to Remain. If you fail to provide such evidence to us within a reasonable timeframe, we reserve the right to prevent you from registering on your course or to withdraw you from your course.

If you fail to comply with any immigration conditions, the University may be obliged to report this to UK Visas and Immigration ("UKVI") in order to comply with the University's own obligations to UKVI as a sponsor of international students.

Further information in relation to visas for international students is available at:

www.studentsupport.manchester.ac.uk/immigration-and-visas/.

2.6 Courses which require an Academic Technology Approval Scheme (ATAS)

Individuals applying to study certain postgraduate and undergraduate science, engineering and technology subjects will need an Academic Technology Approval Scheme (ATAS) clearance certificate in order to study in the UK unless they are a citizen of an exempt country. If this requirement applies to your course, your academic school will inform you that you need to apply for an ATAS certificate when we make you an offer. You may also need to apply for a new ATAS certificate if your modules or research focus changes, or if your programme is extended for any reason. If you will be applying for a Student Route visa, your CAS will also record that you need to obtain an ATAS certificate. Further information is available at: **www.studentsupport.manchester.ac.uk/immigration-and-visas/atas/**.

You are required to register for all years of study including placement, industrial experience and study abroad years. On completion of registration at the start of the Course, you will be issued with a student card for the duration of the Course. Your image, unique student ID number and the expected end date for the Course will be displayed on the card. Once you are a student you will be able to update details via the My Manchester student portal, details of how to access this will be provided prior to registration.

3.7 Fitness to practise and professional standards

Where a course of study requires students to undertake practical training in a quasi-professional role in relation to patients, clients or service-users, or where the qualification provides a direct license to practise, the University has a duty to ensure that students are fit to practise. In order to protect present or future patients, clients or service users, and to comply with the requirements of professional/regulatory bodies, the University has established a procedure for dealing with student related fitness to practise issues

which is applicable to all students on such courses of study. The procedure is available at:

3.8 Complaints

Should you, as a registered student of the University, have a complaint regarding your University experience, then you should follow the steps set out in the Student Complaints Procedure (Regulation XVIII of the General Regulations). The procedure sets out the University's informal and formal processes for considering complaints and summarises your right to raise a complaint with the Office of the Independent Adjudicator for Higher Education if your complaint is eligible under its rules and once all internal University procedures have been concluded. The procedure is available at:

4.1 Tuition Fees and Additional Costs

By accepting our offer, you agree to pay the Tuition Fees and any additional costs associated with the Course (including any additional costs referred to in the published course information, Offer Letter, the Course Handbook or as otherwise notified to you) ("Additional Costs") in accordance with the timescales set out in the Offer Letter or other relevant documentation supplied during the application process.

If a third party is to pay the Tuition Fees and any Additional Costs on your behalf, responsibility remains with you to pay such fees/costs in the event that the third party fails to pay them when they fall due.

It is important that you read University Ordinance XVI (The Admission and Registration of Students) and General Regulation XII (Arrangements for the award of degrees and other distinctions) which include details of your and our rights and obligations including in relation to Tuition Fees and any Additional Costs

and the potential implications for you if you fail to make payment (including not being admitted for assessment and not having your results published or submitted to Senate for confirmation).

The University's website contains further information regarding tuition fees:

www.studentsupport.manchester.ac.uk/finances/tuition-fees/fee-amounts.

4.2 Changes to Tuition Fees

The Offer Letter sets out the circumstances in which Tuition Fees may be reviewed and increased by the University.

4.3 Fee status

The University charges different levels of tuition fees depending on whether a student is classified as Home, Islands or International. The level of fee that you will be charged will be detailed in the Offer Letter or subsequently in writing should it not be possible to automatically determine your fee status upon receipt of an application. In certain circumstances your fee status may be reviewed based on the information you have supplied in your application in line with the Education (Fees and Awards) Regulations 1997 and The Higher Education (Fee Limit Condition) (England) Regulations 2017 and any other relevant regulations. This may result in your fee status changing after offer. Once you register with us as a student, your fee status cannot change during the academic year, and can only change at the next registration point if your changed circumstances meet specific criteria. Further information on tuition fee status can be found at: **<http://www.studentsupport.manchester.ac.uk/finances/tuition-fees/assessments>**.

4.4 Deferred entry to the University

If you defer your start date to a new academic year, then you will be required to pay the tuition fee applicable to that year of entry. You will be sent a new offer letter stating that fee.

4.5 Interruption

If you interrupt your studies part way through an academic year, the University will recalculate the Tuition Fees for the year. If the amount of fees paid is greater than the revised Tuition Fees then the University will not process a refund of fees. Any payments made will be held on account for when you return from interruption. If you have not paid sufficient fees by the time of interruption then you will be contacted to arrange payment. Further information, including details regarding the calculations methods, is available at: www.studentsupport.manchester.ac.uk/finances/tuition-fees/payments/interruptions-and-withdrawals.

4.6 Withdrawals

If you withdraw from the Course part way through the academic year, the University will recalculate the Tuition Fees for the year. If the amount of fees paid is greater than the revised Tuition Fees then the University will refund the overpayment. If you have not paid sufficient fees by the time of interruption/withdrawal then you will be contacted to arrange payment. Further information, including details regarding the calculations methods, is available at: **www.studentsupport.manchester.ac.uk/finances/tuition-fees/payments/interruptions-and-withdrawals**.

The University recognises that a student's decision to withdraw may have been triggered by challenging circumstances (for example, regarding their health, family or financial situation). Students affected in such ways may contact the University's Student Support services for information around how the University may support them.

4.7 Postgraduate programme extensions

Where an extension is agreed to a postgraduate programme, tuition fees for the extended period will be calculated on a pro rata basis. Further information is available at:

<https://www.studentsupport.manchester.ac.uk/finances/tuition-fees/payments/interruptions-and-withdrawals/>

4.8 Late payment

In the event that an instalment is not paid on the agreed payment date, a late payment charge of £25 will be added to your student account and you will be advised by an e-mail sent to your University e-mail address. In the event that you are unable to meet the deadlines for the payment of Tuition Fees or any Additional Costs you must contact Credit Control so that your options including, where appropriate, alternative payment arrangements, can be discussed and agreed. All overdue payments will be referred to, and followed up by, the University's Credit Control Team.

4.9 Non-payment

Where a tuition fee payment remains outstanding beyond the published due date, an indicator will be applied to your student record. You will be notified by e-mail, explaining any potential consequences, including in relation to graduation or re-registration. Outstanding tuition fee debts accrued by students who have left the University or who do not engage with the University's notification will be referred to an external debt collection agency.

4.10 Deposits

Some students such as international students undertaking a full-time taught masters degree are required to pay a tuition fee deposit before an electronic Confirmation of Acceptance for Studies (CAS) can be issued. Further information, including details regarding the arrangements for payment, is available at:

<https://www.manchester.ac.uk/study/masters/fees/international-students/tuition-fee-deposits/>.

You will be notified when you need to pay the deposit.

4.11 Student debt policy

Where a tuition fee payment remains outstanding beyond the published due date, an indicator will be applied to the student record. You will be notified of this and asked to contact Credit Control to arrange payment. Until payment or a payment plan has been agreed you will be unable to re-register or graduate.

For non-academic debt or where a student has left the University, an external debt collection agency will be used if the debt remains outstanding after reasonable attempts to recover the debt have been taken.

Further information can be found in the University's Recovery of student debt policy, which is available at:

<http://documents.manchester.ac.uk/display.aspx?DocID=23629>.

The Contract will terminate automatically if you cancel or withdraw from the Course.

9. Liability

Nothing in this agreement shall limit or exclude the University's liability for death or personal injury arising from our own negligence, or for fraud or fraudulent misrepresentation.

We will be liable to you for loss or damage you suffer that is a foreseeable result of our breach of this agreement or if we fail to carry out our obligations under this agreement to a reasonable standard, but not to the extent that any such failure is attributable to you or a third party that is not within our control. We will not be liable for loss or damage which were not foreseeable. Losses are foreseeable if they were an obvious consequence of our breach of this agreement or if they were contemplated by you and us at the time we entered into this agreement.

We shall not be held responsible for any injury to you (financial or otherwise), or for any damage to your property, caused by another student, by any person who is not an employee or authorised representative of the University or by any other third party.

Our liability to you for all loss or damage suffered by you shall be limited to the total amount of the Tuition Fees payable by you to the University whilst enrolled on the Course at the University.

10. Events outside of our control

We shall not be liable to you for events outside our control which we could not have foreseen or prevented, even if we had taken reasonable care. Such events include, but are not limited to: strikes; other industrial action; staff illness; severe weather; fire; civil commotion; riot; invasion; terrorist attack or threat of a terrorist attack; cyber attack; war (whether declared or not); natural disaster; restrictions imposed by government or public authorities; significant changes to our funding or government higher education policy; epidemic or pandemic disease; or failure of public utilities or transport systems.

Should any such circumstances arise, we reserve the right to make changes to the Course and University services and facilities in line with section 5 above. We will take reasonable and proportionate steps to mitigate any adverse impact on you.

11. Your cancellation rights

You have a legal right to cancel this agreement by notifying us, within 14 days of your acceptance of our offer ("the Cancellation Period"), of your wish to cancel. You must notify us in writing with a clear statement communicating your decision (you may send an e-mail to the named contact for your Course entitled Cancellation, providing your UCAS ID or your University student number and your full name). You must send your notification to us before the Cancellation Period has ended. This right to cancel does not apply if the agreement between us was made in person (i.e. during a face-to-face meeting).

Provided you comply with the above requirements within the Cancellation Period, you will be entitled to a refund of any deposit/fees that you have paid to the University prior to your decision to cancel. We will refund any sums due to you using the same payment method as you used to pay any deposit/fees.

12. Third party rights

This agreement is personal between the University and you. You may not assign or transfer it to a third party. A person who is not a party to this agreement (such as a third party responsible for the payment of some or all of your tuition fees) does not have any rights under or in connection with this agreement. We may transfer our rights and obligations under this agreement to another organisation. We will provide you with advance notice should such a transfer be proposed.

13. Law and jurisdiction

The agreement is governed by English law. You and we both agree to submit to the exclusive jurisdiction of the English courts.
