

## Major awards and achievements listed in Senate report (1 November 2023)

Major funding awards include:

**Professor Sarah Haigh (Department of Materials)** has been awarded £5.9m for an EPSRC Strategic Infrastructure grant 'A Smart Automated Instrument for Multiscale Analysis of Structure and Chemistry'.

**Professor Aline Miller (Department of Chemical Engineering)** is leading the 'Industrial Biotechnology Innovation Catalyst (IBIC)', a new £4.7m EPSRC Place-Based Impact Acceleration Account which will bring together a consortium of academia (Universities of Manchester, Liverpool, Manchester Metropolitan, Bolton and Salford), industry and local government.

**Professor Sophie Nixon (Manchester Institute of Biotechnology)** alongside several Institute colleagues, has been awarded £4.2m for a BBSRC Strategic longer and Larger Grant (sLoLa) 'Rules of life in CO<sub>2</sub>-driven microbial communities: Microbiome engineering for a Net Zero future'.

**Professor Ed Fieldhouse (School of Social Sciences)** has been awarded £2.9m for an ESRC grant 'Voters and the British Political System in the Context of Brexit: the British Election Study 2019-2026'.

**Dr Rose Pritchard (School of Environment, Education and Development)** has been awarded £1.5m for an ESRC grant 'Just Earth Observation for Conservation'.

**Dr Doug Field (School of Arts, Languages and Cultures)** has been awarded £787,729 for an AHRC Research Grant 'Baldwin and Britain'.

**Professor Stefan Bouzarovski (School of Environment, Education and Development)** is a Co-I in the EPSRC funded Energy Demand Research Centre, one of six new hubs and centres driving forward change in the energy system.

In addition, the following colleagues have been awarded Fellowships and Elected Fellows:

**Professor Nick Crossley (School of Social Sciences)** has been awarded £914,976 for a Government Communications Headquarters Fellowship.

**Dr Constance Smith (School of Social Sciences)** has had her UKRI Future Leaders Fellowship renewed and has been awarded £588,240 for 'High-rise landscapes: The afterlives of tower block 'failure' and rethinking urban futures'.

**Professor Alejandro Frangi (School of Health Sciences)** is one of the 73 new Fellows in the field of engineering and technology elected by the [Royal Academy of Engineering](#).

**Professor Dawn Dowding (School of Health Sciences)** has been elected a Fellow of the International Academy of Health Sciences Informatics (IAHSI).

Further awards and prizes include:

**Professor Amin Rostami-Hodjegan (School of Health Sciences)** has been awarded a 2023 European Scientific Achievement Award by the International Society for the Study of Xenobiotics.

**Dr Sarrami Foroushani and Professor Alejandro Frangi (School of Health Sciences)** have been awarded the National Centre for the Replacement, Refinement and Reduction of Animals in Research (NC3Rs) 2023 International 3Rs Prize.

**Professor Duncan Shaw (Alliance Manchester Business School)** has been shortlisted for the ESRC Celebrating Impact Prize for his project 'Recovery, renewal, resilience and spontaneous volunteers during COVID-19'.
