

Teaching and Scholarship Promotions Criteria Revision – Consultation 23/24

- Since autumn 2022 a working group of colleagues from across the University have been reviewing and revising the promotions criteria for academics on T&S contracts. To accompany the new criteria we have also produced a set of guidance documents. You can access links to all of these documents in the table to the right.
- We are now opening these up for consultation across the University.
- We are holding a series of focus group events online and in person which are open to all. [Sign up here.](#)
- Alternatively, you can review the documents below and provide feedback on this [anonymous online form](#), until January 15th.
