GRADUATION CELEBRATIONS

December 2023

A portrait of Professor Dame Nancy Rothwell, an older woman with short, blonde hair, smiling slightly. She is wearing a dark blue jacket with white stripes on the cuffs and collar. Her arms are crossed, and she is wearing a watch on her left wrist. The background is a solid blue color.

“Use your head,
but follow your heart.”

Professor Dame Nancy Rothwell,
President and Vice-Chancellor
of The University of Manchester

Congratulations

from the President and Vice-Chancellor

I welcome you all – students, family members and friends – to The University of Manchester for this graduation congregation.

This is a time of celebration and I hope you enjoy this special occasion. For those of you with us today, this is also a perfect moment to reflect on your time here at Manchester, to think about your successes, achievements and the excitement of the next stage of your journey. The University shares with you a great sense of pride in your effort and dedication.

I encourage you to take charge of your future, find your voice and form your own opinions. Have confidence in the knowledge and experience you have gained during your time here and, as you approach the stage, know that you are ready to take on your next challenge and shape your own future.

These ceremonies mark not the end of your relationship with the University but the start of a new chapter. You are now part of a worldwide network and it is my hope that the links between you and the University will grow stronger as you become an active member of one of the largest global alumni communities.

I wish you every success for the future and hope that you have a truly memorable day.

Professor Dame Nancy Rothwell

A portrait of Nazir Afzal OBE, Chancellor of The University of Manchester. He is a middle-aged man with dark hair, wearing glasses, a white shirt, and a dark blue blazer. He has his arms crossed and is looking directly at the camera with a slight smile. The background is a blurred, textured wall.

“You've learned to
exceed the expected
and to go above and
beyond what's needed.”

Nazir Afzal OBE
Chancellor of The University of Manchester

Message from Nazir Afzal OBE, Chancellor

**When you joined the University you became part
of a community that works hard to make the
world a better place.**

While you may have chosen Manchester for its courses and renowned academics, you quickly discovered that your university experience was about so much more. You realised you belonged here.

You learned to exceed the expected and to go above and beyond what's needed. And you did so during some of the most challenging times in recent history. Today is a chance to celebrate your achievements as we recognise the hard work and determination you've shown throughout your time here.

As I reflect on my first year as Chancellor, I am reminded of the important role that community plays in our lives. The Manchester community has already been a great source of inspiration and encouragement for me, and this ceremony is the perfect example of this — a day for friends, families and peers to come together, celebrate your incredible achievements and make lasting memories.

As you prepare to leave us, know that you will always belong here. You're joining an alumni community that spans the globe — and they all carry a part of Manchester with them. I hope the University has prepared you well for your next chapter, whether that's starting your career, getting set for further study or planning new adventures. As you go out into the world, you'll meet plenty of members of our Manchester family, and I encourage you to stay in touch with our valuable alumni network and remain connected with our campus.

I wish you every success for the future. Our world needs progressive, conscientious and compassionate people like you. I am sure you will continue to make us proud.

Nazir Afzal OBE

Leading the way

Throughout our history, Manchester has helped shape the world through knowledge, wisdom and humanity. Our staff and alumni instil in our students and graduates a desire to improve people's lives through research, teaching and social responsibility, investing in the future of others.

1874

Edward Ryley Langworthy

The Langworthy Chair, a position later held by five Nobel Prize laureates, is created by the legacy of this donor to the University.

1979

Sir Arthur Lewis

Britain's first Black professor, Arthur Lewis wins the 1979 Nobel Prize for Economics.

1906

Dame Christabel Pankhurst DBE

Prior to her role in the suffragette movement, she graduates in law at a time when it was illegal for women to practise the profession.

1948

Prof Alan Turing OBE FRS

The famed wartime codebreaker joins the University, where he later gains a reputation as the father of modern computing.

1908

Sir Ernest Rutherford OM FRS

This pioneer of chemistry and physics, who would later 'split' the atom, becomes the University's first Nobel Prize winner in 1908.

1945

Ellen Wilkinson

Ellen Wilkinson is appointed as Britain's first female minister for education. As a student she won scholarships for every stage of her education.

1998

Prof Brian Cox OBE FRS

Graduating in Physics, Brian Cox starts a scientific career that has seen him become a household name through his work to popularise science.

2023

Ella Podmore MBE

Aged just 27, materials engineer Ella Podmore receives an MBE from the Prince of Wales for services to Engineering, Innovation and Diversity.

2004

Prof Alan Gilbert AO

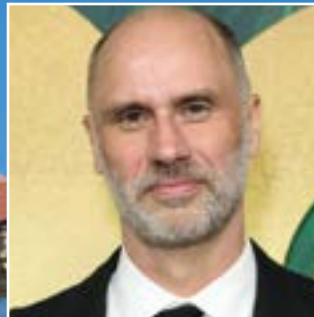

Alan Gilbert is appointed President and Vice-Chancellor in 2004, later establishing Equity and Merit Scholarships and the Manchester Access Programme.

2019

Jesse Armstrong

Author and screenwriter Jesse Armstrong wins the first of his five Emmy awards for his satirical drama *Succession*. It receives widespread critical acclaim.

2006

Prof Danielle George MBE

Danielle George is awarded her PhD. Ten years later she receives an MBE for her services to promote public engagement in engineering.

2017

Naa Acquah

Naa Acquah is named General Secretary of the Students' Union – the first Black woman to hold the position.

Highlights

2022-23

Student swimmer dives into Para World Championships

A Manchester master's student represented the British Para-Swimming team at the championships across three events, taking home a silver in breaststroke.

Sport scholar Grace Harvey, an immunology graduate studying for a master's in Public Health (Dental Public Health), began swimming when she was four and went on to win world Gold in the 100m breaststroke in 2022.

Manchester Museum returns Aboriginal artefacts

The Aboriginal Anindilyakwa community of Australia's Northern Territory celebrated the return of 174 cultural heritage items as part of a landmark repatriation project organised with Manchester Museum.

A handover ceremony took place to formally return cultural heritage material to representatives of the Anindilyakwa community, who travelled from Groote Eylandt. Descendant generations of the community can now connect with their heritage through the returned items.

New national prize for AI named in University's honour

A new prize for research in the field of artificial intelligence was named in honour of the University's 1948 invention of the first stored program computer, known as 'The Baby'.

The prize of £1 million, named the Manchester Prize, will be awarded every year for the next ten years with the aim of encouraging AI research in the UK.

Professor David Olusoga OBE receives BAFTA Special Award

Professor David Olusoga OBE was presented with a BAFTA Special Award at the annual BAFTA Television Awards for his outstanding contribution to television.

The presenter, broadcaster, filmmaker, author and historian has a three-decade career spanning the creative arts and academia. Olusoga has been a trailblazer for the television industry, leading a reappraisal of how history has been traditionally told through popular culture.

Medical biochemistry student graduates with Honours after suffering stroke

Jessica Buckle battled to recover from a stroke in the middle of her final year, which temporarily affected her mobility and sight. While her sight came back after a week, it took a further eight weeks for her to regain full mobility, enabling her to walk independently again.

On graduating with Honours, Jessie said: "I contemplated deferring the year but I could see the finish line and I was so determined."

Manchester remains the favourite university of UK's top employers

The University of Manchester has retained its position as the most targeted university by the UK's top 100 recruiters.

Compiled by High Fliers Research, *The Graduate Market* report is the largest and most authoritative annual careers survey of final year students at the UK's 30 leading universities. Featuring in the top spot for two years running, Manchester was praised for its range of university careers fairs, on-campus employer presentations, virtual events, careers service promotions and initiatives.

Manchester rises in Times Higher Education World University Rankings

The University is positioned 51st in the world out of more than 1,900 institutions included in the latest THE World University Rankings. We remain eighth in the UK overall, and were named number one in the UK and Europe for social and environmental impact earlier in the year.

Meanwhile, in global higher education analyst Quacquarelli Symonds' (QS) first Europe-wide ranking, Manchester placed eighth in Europe and sixth in the UK.

STELLIFY

Stellify Award winners

The Stellify Award is the University's most prestigious extracurricular accolade. It's presented to students who have successfully engaged with the University's Ethical Grand Challenges, undertaken 25 hours (or more) of community volunteering and fulfilled two leadership roles.

In 2023 the students who achieved the Stellify Award are:

Faculty of Biology, Medicine and Health

Kevin Graham Ballesteros

THE AFFIRMATION

(New graduates in Nursing and Midwifery please stand)

"I affirm that I will:

- make the care of patients my first concern;
- treat every patient politely and considerately;
- respect patients’ dignity and privacy;
- listen to patients and respect their views;
- give patients information in a way they can understand;
- respect the right of patients to be fully involved in decisions about their care;
- keep my professional knowledge and skills up to date;
- recognise the limits of my professional competence;
- be honest and trustworthy;
- respect and protect confidential information;
- make sure my personal beliefs do not prejudice patients’ care;
- act quickly to protect patients from risk if I have good reason to believe that I or a colleague may not be fit to practise;
- avoid abuse of my position as a doctor, nurse or midwife;
- work with colleagues in the ways that best serve patients’ interests.

In all these matters I will never discriminate unfairly against my patients or colleagues. I will always be prepared to justify my actions to them."

Graduates reply: "I so affirm".

Shape your future

Your time at Manchester has opened doors to a whole range of opportunities. We're here to help you take your first steps into life after university. Here are five things you can do now to prepare for your future:

1

Access graduate careers support

You can continue to benefit from personalised careers support for up to two years after you finish your course.

2

Register on CareerConnect

Once your student account stops working, you can register for a graduate CareerConnect account – our one-stop shop for vacancies, appointments and events.

3

Use our free online tools

No matter what stage you're at in your career, use our online resources to help you with CVs, cover letters and applications for jobs or further study.

4

Follow the Careers Service on Instagram

Follow the University's Careers Service Instagram account (@uomcareers) to find out more about ongoing careers support, opportunities and special events for Manchester graduates.

5

Consider further study or research

If you're interested in pursuing postgraduate study or research, we can help you consider your options and apply for programmes.

GRADUATE OUTCOMES

An agency will contact you on our behalf to complete the Graduate Outcomes Survey. Your response will help us find out what you're doing next and will inspire future generations of Manchester graduates.

Stay connected

Congratulations, Class of 2023!

Welcome to your global alumni community. We're here to help you preserve a lifelong connection with the University, the city of Manchester and each other. We invite you to continue friendships, share experiences and inspire those who follow in your footsteps.

You're part of a worldwide alumni community of more than half a million – the largest of any campus-based university in the UK. We can help you connect with other alumni around the world to network and progress your career at every stage. Update your personal details so we can stay in touch and continue to support you.

We can't wait to see what you do next.

During the course of this event no alarm test or emergency evacuation practice have been planned. Therefore, if the alarm, which is a single-stage alarm, is activated it should be treated as a potential incident requiring evacuation.

Should the alarm sound, please remain calm and seated and follow the instructions given by stewarding staff.

The assembly point is on the front quadrangle, adjacent to the Whitworth Hall and opposite John Owens Building.
