

SOPHIE

A WEEK IN THE LIFE: BA FRENCH AND RUSSIAN

Hi! I'm Sophie, and I am currently in my second year of French and Russian. I am really enjoying my Art in France module and its exploration of different art movements throughout different periods in France. What I like about studying in Manchester is the diverse range of modules I can study on my course. The modules cover a variety of topics, including French cinema and Russian literature. I also thoroughly enjoy how interactive and engaging my small language classes are. Not only do I enjoy studying at the University of Manchester, I also love exploring the city! Manchester is so big and has so many different opportunities for everyone, from the amazing nightlife to the many cafes, shops, and historic statues.
